TRUCK DRIVER IS ACQUITTED; YOUTH IS TRIED FOR 3 DEATHS

An Irwin, Pa., tractor-trailer driver was found innocent of hit-run driving by an Adams County jury Tuesday afternoon.

The jury, headed by Foreman Kermit Paxton, Aspers, took 29 minutes to determine that the tractor driver, Frank Cassarino, was telling the truth when he said during his trial that he did not know an accident had occurred when a car ran into the rear wheels of his brick-laden trailer atop Mt. Newman.

Cassarino had been charged with failing to stop after the accident. He admitted to the jury that he had stopped at the Tick-Tock service station the night of the accident, had pulled onto the Lincoln Highway and continued until he was stopped at the Pennsylvania Turnpike by state police. He said he did not know until police told him that a car had struck the rear wheels of the trailer as it pulled into the highway. Damage to the truck wheels had been estimated by police at \$2.

MANSLAUGHTER CASE

Trial began Tuesday afternoon and continued until this afternoon on the three manslaughter charges against Ronald Lynn Gaylor, 22-year-old recreation director at the Hoffman Home for Children, Littlestown R. D.

On the witness stand this morning, Gaylor told the jury he did not know how fast he was traveling when a half-ton truck operated by him and carrying 20 Hoffman Orphanage children entered a curve on the Littlestown-Harney Rd. August 1, then swerved back and forth across the highway before striking an embankment and rolling over. Three of the children were fatally injured.

He said his first intimation of anything wrong was a swerving of the truck after it ran off the highway. He was unable to control the swerving before the truck went over and the children were.

CWCC PLANS TO COMMEMORATE 2 WAR EVENTS

The Adams County Civil War Centennial Commission, meeting Tuesday evening in the courthouse, voted to mark two dates next spring with special exercises and expressed the hope that communities, schools and churches throughout the county would note the 100th anniversary of the start of the Civil War next April with appropriate exercises.

The two events for which the commission is setting up programs are the departure of the Independent Blues, first unit from Adams County to enter the armed forces in the Civil War, and the death of the first two men from the county while in service.

Plans call for a service on Lincoln Square and at St. James Lutheran Church, if arrangements can be worked out, recalling the events on April 20, 21 and 22, 1863.

PLAN TWO SERVICES

At Tuesday's meeting it was planned to hold services commemorating each event.

Another ceremony is to be conducted June 20 marking the deaths of the first contingents in service. Pvt. Leander Welsh, of near York Springs, died of typhoid fever June 20 and Van Burin Tawney, of Fairfield, died June 22 of the same disease. Both were members of the Independent Blues stationed at that time with General Patterson's troops at Chambersburg.

SIX MEETINGS ON MERGER SET

Six public meetings to inform the voters "about the nature and advantages of a merged school district" before General Election Day were announced today by Superintendent of Schools H. Edgar Riegle. "Competent speakers" will present facts and answer questions at each meeting, Superintendent Riegle said.

The list of meetings includes: Tuesday, October 18, at the Greenmount Fire Hall and at the Lower Marsh Creek Presbyterian Church; October 19, at the parish hall at Two Taverns; October 20, at the Franklin Twp. Elementary School at Cashtown; October 27, at Eisenhower School here, and on October 28, at the Great Coneyago Presbyterian Church at Hunterstown. All meetings are set for 8 p.m.

Voters in the Gettysburg Joint School District will receive special ballots on which they may vote for or against the proposal to change the school setup from a joint school district to a merger. "A 'yes' vote will indicate an interest in a forward looking school district organization," Mr. Riegle said.

MRS. BARRIGA TELLS CLUB OF LIFE IN SPAIN

Mrs. Guillermo Barriga who recently returned from a year's stay in Spain and other countries of Europe was guest speaker at the United Nations banquet held by the Soroptimist Club at the VFW home, E. Middle St., Tuesday evening.

Twenty-eight members and guests heard Mrs. Barriga tell of her experiences at keeping house in Madrid for her husband and three children. "Adequate living quarters were extremely expensive and very hard to find when we first arrived," she said, "but after a few months we were fortunate in finding a very modern furnished apartment."

"One of my delights was to visit the local market every day where I found different and exotic foods to prepare. Surprisingly, the people of Madrid eat a great variety of wonderful sea foods, even though it is located so far inland; it is flown in fresh every day. I became fast friends with many of the merchants who were glad to help instruct me in preparing the strange foods."

College Grad Gets Protestant Award

Dr. Millard E. Gladfelter, a graduate of Gettysburg College and president of Temple University, Philadelphia, and Police Commissioner Albert N. Brown were honored at the second annual service of Divine Protection for the Legion of Cornelius Monday afternoon in St. Matthew's Lutheran Church, Philadelphia.

Dr. Gladfelter, the principal speaker, likened policemen to Cornelius, a Roman centurion noted for fairness and ability to keep order, who was converted to the Christian faith by St. Peter.

Commissioner Brown, one of the founders of the Protestant police order, and Dr. Gladfelter were presented the silver pectoral cross, awarded annually by the association to outstanding Protestant laymen.

Japanese Foe Of U.S. And Friend Of Red China Slain By Student With Big Sword

By JOHN RODERICK

TOKYO (AP)—A fanatic right-wing student today assassinated the Socialist party chairman, Inejiro, Asanuma, an avowed friend of Communist China and the militant leader of Japanese opposition to the U. S.-Japan alliance.

The assassin, a slender Otaya Yamaguchi, 17, stabbed Asanuma twice with a foot-long sword as Asanuma spoke to a political forum on clean campaign practices. Members of the audience hurled the youth to the floor and carried him off to police headquarters.

A leftist throng of 10,000 marched on police headquarters and then on the official residence of Prime Minister Hayato Ikeda, demanding Ikeda's resignation. They shouted "Down with terrorism."

BREAK WINDOWS

A few of the marchers broke 57 windows in an ineffectual attempt to break into police headquarters.

DONALD HEAGY IS CRITICALLY HURT IN CRASH

(See Picture On Page 3)

Donald F. Heagy, 52, Gettysburg R. 3, was critically injured at 9:15 o'clock this morning when a truck owned by the Gettysburg Building Supply Co., which he was driving collided with a tractor-trailer and then ran into a concrete culvert 6 1/2 miles north of here on the Harrisburg Rd.

The investigating officer of the state police was not available for information immediately but insurance agents who investigated said Heagy was driving north in the truck and sought to pass a northbound tractor-trailer reportedly operated by a Glen Shafer of Chambersburg.

As the Building Supply truck was passing, the tractor-trailer swerved to the left and the two vehicles sideswiped briefly. The Building Supply truck then continued on and struck the culvert. Brought to the Warner Hospital in the local ambulance, Heagy was admitted in a critical condition with a badly broken knee, contusions of the chest, a nose injury and internal injuries.

Damage to the Building Supply truck was estimated at about \$1,800. No damage was reported to the tractor-trailer.

Boys Start Motor And Auto Crashes

Robert Samuels, 37, Camp Hill, is trying to figure out today how two boys were able to get into his car and start the motor, all in a matter of minutes, when the vehicle was locked.

Traveling east on Route 116, four miles west of Zora, Tuesday afternoon, Samuels stopped his 1960 Ford station wagon along the highway, locked it and walked away. Returning a few minutes later, he saw two teenage boys inside the car with the motor running and one boy standing along side of the car.

When the boy on the outside saw Samuels, he gave a shout and the three scampered off, leaving the car to roll down an embankment, striking a pole and damaging the bumper.

Samuels told state police the boys were about 16 years old.

Meetings Listed By GOP Women

The Adams County Council of Republican Women will hold a series of meetings over the county this month.

They will be held as follows: October 17 at 8 o'clock in Littlestown with Mrs. Robert Miller presiding; October 19 at 8 o'clock Bendersville rally will be held at the Aspers Fire Hall with Mrs. Blaine Hughes presiding; October 21 the Fairfield rally will be held in the Cashtown Fire Hall at 7:30 o'clock; October 26 the New Oxford meeting will be held at 8 o'clock with Mrs. Earl Deily presiding; October 27 at Gettysburg at 8 o'clock in the Adams Electric building with Mrs. Guyon E. Stung By Steamroller U.N. Setbacks, "K" Expected To Return To Podium Today

By RELMAN MORIN

UNITED NATIONS, N. Y. (AP)

Premier Khrushchev, stung by a steamroller setback in the U.N. General Assembly, was expected to return today to oratorical battlefield where he faces another in a succession of painful defeats. A high Soviet source said Khrushchev likely would be on hand for the afternoon session to press his demand that the full assembly discuss his charge of U.S. aggression with regard to intelligence plane flights.

The Soviet chief appeared to be gripped by an almost apoplectic fury when the disarmament vote went heavily against him. He openly talked of rockets and war. Time is running out for him—unless he changes his mind about flying back to Moscow Thursday night.

RAGING SPEECH FAILED

He has been beaten down repeatedly in the General Assembly, the latest setback coming Tuesday night in spite of a raging, threatening speech demanding that disarmament be debated at once by the Assembly without preliminary committee consideration.

The 99-nation assembly voted 54-13 with 31 abstentions against Khrushchev's demand. Then it voted 61-12 with 24 abstentions to debate the issue in the Political Committee. Voting with the Soviet bloc on the first question were Afghanistan, Mali and fellow-traveling Guinea and Cuba. Afghanistan abstained on the second vote.

Today the Assembly discussed Soviet demands to bypass committee consideration of two more Soviet resolutions. The U.N. Steering Committee has recommended that both be debated by the Political Committee before they come to the assembly.

MANY DONATE TO CHAPEL AT COUNTY HOME

The Adams County Home Auxiliary reported a number of contributions of cash and articles for the chapel furnishing fund set up by the auxiliary to provide equipment for the chapel to be set aside in the new county home for use by the guests there.

A rummage sale scheduled for November was postponed to February. In the meantime the group is continuing to seek small pieces of good furniture, good clothing and other articles to be sold at the sale.

Mrs. W. E. Jordan, county home matron, reported barbers of the county and beauticians are continuing their programs of caring for the hair of the guests.

TO SEND LETTERS

Mrs. Raymond Powell, corresponding secretary, announced annual membership letters will be sent in December.

The report of Mrs. Ira Henderson showed the Samaria Shrine of Gettysburg, led by Mrs. Robert Beatty, visited and donated vegetables; the Maude Miller Bible Class visited and provided fruit; the Women of St. Paul's Lutheran Church, Biglerville, visited and provided cookies; the Gettysburg National Bank sent cookies; the Biglerville United Church of Christ sent 34 jars of jelly; Grace Baptist Church of Fairfield visited, held services and donated cookies and fruit. Gettysburg College and Seminary students have resumed services at the home.

Plans were announced for a Christmas bazaar to be held at the home in December and arrangements were made to provide Christmas cards and stamps to the guests to send to their friends.

Mrs. Milton Bishe, Union Twp., Dies

Two Countians Win Awards At Depot

Ralph E. Woodward Jr., 246 Ridge Ave., a clerk in the Mechanicsburg Naval Depot's central mail room, Monday was awarded the first silver dollar to be given by the post in a Fire Prevention Week program. He correctly identified the location of a fire alarm box closest to the mail room.

The inspectors from the fire department roamed the base and selected employees at random to answer a single question about fire safety. The first day, five silver dollars were awarded, with Woodward receiving the first one.

Another winner Monday was Miss Lucille Miller, York Springs, a typist in the Naval Supply Depot.

Lumumba Backers Stone White Motorists In Congo

By DAVID MASON

LEOPOLDVILLE, the Congo (AP)—Scores of Patrice Lumumba's supporters, barred from visiting the deposed premier at his guarded residence, took out their anger on white motorists in this tense capital today.

Europeans driving by Lumumba's luxurious villa ran into a hail of stones from a crowd of Congolese massed in the area. No damages or serious injuries were reported in these and other sporadic incidents, but hostility toward white residents apparently was on the rise.

While opposing soldiers faced each other around the Lumumba residence, the Congo's ruling government commission pondered the next move in its efforts to arrest the ousted premier.

THREATEN UPRISING

The commission Tuesday threatened an army uprising unless U. N. forces hand over Lumumba. Machinegunners of Ghana's U. N. contingent mounted a protective guard around the controversial ex-premier and prevented the execution of the arrest warrant for Lumumba signed by Pres-

Local Pastor Talks To Cashtown Lions

Rev. William E. Fenstermaker, local Methodist pastor, spoke on his experience in India at a meeting of the Cashtown Community Lions Club Tuesday evening at the Cashtown Community Hall.

President Stanley Sharrer presided at the meeting at which Rev. Mr. Fenstermaker showed slides he had taken during his trip to India.

Poverty in India is "unbelievable," the local pastor told the Lions. Daily poor people of India drop over dead on the sidewalks of the cities from starvation. He concluded, "It seems almost impossible to raise the social and economic level of many Indians by any degree whatsoever."

The next meeting of the Cashtown Lions will be held October 25 at the community hall.

CHEST DRIVE TOTAL CLIMBS TO \$12,998

The Gettysburg Community has raised \$12,998, approximately 46 per cent of its goal of \$28,300, Chairman Paul B. Fox announced today following the second report night held Tuesday evening.

Canvassers turned in \$3,967 at the YWCA Tuesday evening.

Fox announced plans for a final report night to be held next Tuesday evening from 7:30 to 9 o'clock at the Gettysburg College dining hall.

Fox urged all solicitors and chairmen of all divisions to seek to complete the campaign by that time.

RESPONSE IS "GOOD"

Contributions so far have been "good," but the collection is moving more slowly than a year ago when approximately \$20,000 had been received up to the corresponding time, Fox said.

A check on donations indicates the public is responding "as well as in the past, but the canvassers have been slower in making reports."

Fox stressed that the campaign is designed to combine seven fund drives into one. Contributions to the Chest support the Library, Boy Scouts, Girl Scouts, Civic Nurse, Red Cross and YWCA. In addition a portion of the funds go to the Pennsylvania United Fund for support of such organizations as the USO.

More Pupils May Enroll On Monday

Additional pupils may enroll next Monday evening at the second session of the annual Leadership Training School being conducted at the Gettysburg Church of the Brethren, Biglerville Rd. Late registration will not prevent full credit for the course if all other requirements are met, school officials said.

There were 60 enrolled Monday evening at the school's first session. Six courses are being offered on Monday evenings through November 14. The Monday classes run from 7:30 to 9:30 p.m.

The Rev. Lester J. Karschner, Abbottstown Lutheran pastor and president of the Adams County Council of Churches, conducted the brief worship service at the opening session. Earlier Monday evening the school staff and the directors of the school attended a dinner meeting.

Courses are being offered on teaching of kindergarten, primary and junior departments, and on the Old Testament, town and country churches and biblical archaeology.

JAIL TWO AFTER AUTO CRASHES UTILITY POLE; POWER CUT OFF

Robert E. Reese, 18, Fairfield R. 1, crashed into a Metropolitan Edison pole near the Gettysburg Lutheran Theological Seminary this morning at 4 o'clock, destroying his car, arousing the seminarians, cutting off electricity along the Fairfield Rd. and in parts of Gettysburg, and later putting Reese and a friend, John B. Reese, 19, Iron Springs, in the county jail.

Borough police said Robert Reese was driving west on W. Middle St. with John Reese following in another car. At the top of Seminary Ridge the Reese auto failed to make the curve and crashed into the power company pole beside the seminary dormitory, snapping off a high tension line, the guy wire to the pole and a Rt. 116 marker along the highway.

When the high tension line came down it cut off electricity for a time in the area until Metropolitan Edison workmen could repair the broken circuit.

CHASED BY POLICE

Borough Officer Raymond Menges, on patrol in the police car, came upon the scene to find seminarians surrounding the wrecked car. As he brought the police car to a halt one of the seminarians told him: "There goes the fellow who was in the accident in the other car."

Menges gave chase. The other car sped out W. Confederate Ave. to Swope's souvenir stand, then turned onto Peach Orchard Rd. to the Emmitsburg Rd., then headed north into Gettysburg. (Continued On Page 3)

BETA SIGMA PHI PLANNING FOR CONVENTION

Further plans for the regional convention of the Beta Sigma Phi Sorority here next June will be outlined Thursday night at 7:30 o'clock at a joint meeting of the Epsilon Delta and Xi Alpha Chi Chapters of the sorority at the Adams Electric Cooperative building, it was announced Tuesday night at a meeting of the Epsilon Delta Chapter at the Adams Electric building, rear of N. Stratton St.

Miss Margaret Redding, Long Lane, president of the chapter, said the committees set up by the two chapters will receive instructions at Thursday's meeting on their duties in connection with the convention.

NAMED "QUEEN"

Miss Redding Tuesday evening was elected "Valentine Queen" by her chapter. Her name was entered in a competition for "Valentine Queen" being held by the chapters throughout the U. S.

Plans were made for presentation of the pledge ritual October 20 at 8:30 p.m. at the Lamp Post Tea Room; for a Halloween party October 31 and for a rummage sale to be held November 26 at the GAR rooms.

Mary Ellen Martz was in charge of the program on "Your Crowning Glory" at Tuesday's meeting. Miss Margaret Spangler, operator of the Hotel Gettysburg Beauty Shop, was the speaker.

Members and pledges were asked to bring favorite pieces of jewelry to the next meeting to be held at the West St. branch of the Gettysburg National Bank October 25 with pledge training starting at 7:30 p.m. Hostesses for Tuesday's meeting were Mrs. Joan Kuhn and Mrs. Shelly Jean Dugan.

Selling Magazines For Legion Women

Sixteen salesmen, representing the National Organization Service of New York, began selling magazine subscriptions throughout Adams County today for the benefit of the Auxiliary of the Albert J. Lentz Post No. 202 of the American Legion. Each carries a signed authorization from the auxiliary president, Mrs. Mary Fridinger.

Profits from the magazine sales will be used by the auxiliary to purchase additional hospital and sickroom equipment which is available to residents of the county on loan without charge. With proceeds from magazine sales of other years, the auxiliary has purchased crutches, bed rails, popo packs, hospital beds and mattresses, wheel chairs, a walker and a walkette. All are in almost constant use.

The equipment may be borrowed by contacting Mrs. Edith Bushman, 28 Chambersburg St., or Mrs. Fridinger.

Frederic's Beauty Salon will be closed Friday due to death in the family.

TOKYO (AP)—A fanatic right-wing student today assassinated the Socialist party chairman, Inejiro, Asanuma, an avowed friend of Communist China and the militant leader of Japanese opposition to the U. S.-Japan alliance.

The assassin, a slender Otaya Yamaguchi, 17, stabbed Asanuma twice with a foot-long sword as Asanuma spoke to a political forum on clean campaign practices. Members of the audience hurried the youth to the floor and carried him off to police headquarters.

A leftist throng of 10,000 marched on police headquarters and then on the official residence of Prime Minister Hayato Ikeda, demanding Ikeda's resignation. They shouted "Down with terrorism."

DONALD HEAGY IS CRITICALLY HURT IN CRASH

(See Picture On Page 3)

Donald F. Heagy, 52, Gettysburg R. 5, was critically injured at 9:15 o'clock this morning when a truck owned by the Gettysburg Building Supply Co., which he was driving, collided with a tractor-trailer and then ran into a concrete culvert 6 1/2 miles north of here on the Harrisburg Rd.

The investigating officer of the state police was not available for information immediately but insurance agents who investigated said Heagy was driving north in the truck and sought to pass a northbound tractor-trailer reportedly operated by a Glen Shafer of Chambersburg.

As the Building Supply truck was passing, the tractor-trailer swerved to the left and the two vehicles sideswiped briefly. The Building Supply truck then continued on and struck the culvert.

Brought to the Warner Hospital in the local ambulance, Heagy was admitted in a critical condition with a badly broken knee, contusions of the chest, a nose injury and internal injuries.

Damage to the Building Supply truck was estimated at about \$1,800. No damage was reported to the tractor-trailer.

Boys Start Motor And Auto Crashes

Robert Samuels, 37, Camp Hill, is trying to figure out today how two boys were able to get into his car and start the motor, all in a matter of minutes, when the vehicle was locked.

Traveling east on Route 116, four miles west of Zora, Tuesday afternoon, Samuels stopped his 1960 Ford station wagon along the highway, locked it and walked away. Returning a few minutes later, he saw two teen-age boys inside the car with the motor running and one boy standing along side of the car.

When the boy on the outside saw Samuels, he gave a shout and the three scrambled off, leaving the car to roll down an embankment, striking a pole and damaging the bumper.

Samuels told state police the boys were about 16 years old.

Stung By Steamroller U.N. Setbacks, "K" Expected To Return To Podium Today

By RELMAN MORIN

UNITED NATIONS, N. Y. (AP)—Premier Khrushchev, stung by a steamroller setback in the U.N. General Assembly, was expected to return today to oratorical battlefield where he faces another in a succession of painful defeats.

A high Soviet source said Khrushchev likely would be on hand for the afternoon session to press his demand that the full assembly discuss his charge of U.S. aggression with regard to intelligence plane flights.

The Soviet chief appeared to be gripped by an almost apoplectic fury when the disarmament vote went heavily against him. He openly talked of rockets and war. Time is running out for him—unless he changes his mind about flying back to Moscow Thursday night.

RAGING SPEECH FAILED

He has been beaten down repeatedly in the General Assembly, the latest setback coming Tuesday night in spite of a raging, threatening speech demanding that disarmament be debated at once by the Assembly without preliminary committee consideration.

The 99-nation assembly voted 54-13 with 31 abstentions against Khrushchev's demand. Then it voted 61-12 with 24 abstentions to debate the issue in the Political Committee. Voting with the Soviet bloc on the first question were Afghanistan, Mali and fellow-traveling Guinea and Cuba, Afghanistan abstained on the second vote.

Today the Assembly discussed Soviet demands to bypass committee consideration of two more Soviet resolutions. The U.N. Steering Committee has recommended that both be debated by the Political Committee before they come to the assembly.

MANY DONATE TO CHAPEL AT COUNTY HOME

The Adams County Home Auxiliary reported a number of contributions of cash and articles for the chapel furnishing fund set up by the auxiliary to provide equipment for the chapel to be set aside in the new county home for use by the guests there.

A rummage sale scheduled for November was postponed to February. In the meantime the group is continuing to seek small pieces of good furniture, good clothing and other articles to be sold at the sale.

Mrs. W. E. Jordan, county home matron, reported barbers of the county and beauticians are continuing their programs of caring for the hair of the guests.

TO SEND LETTERS

Mrs. Raymond Powell, corresponding secretary, announced annual membership letters will be sent in December.

The report of Mrs. Ira Henderson showed the Samaria Shrine of Gettysburg, led by Mrs. Robert Beatty, visited and donated vegetables; the Maude Miller Bible Class visited and provided fruit; the Women of St. Paul's Lutheran Church, Biglerville, visited and provided cookies; the Gettysburg National Bank sent cookies; the Biglerville United Church of Christ sent 34 jars of jelly; Grace Baptist Church of Fairfield visited, held services and donated cookies and fruit. Gettysburg College and Seminary students have resumed services at the home.

Plans were announced for a Christmas bazaar to be held at the home in December and arrangements were made to provide Christmas cards and stamps to the guests to send to their friends.

Two Counties Win Awards At Depot

Ralph E. Woodward Jr., 246 Ridge Ave., a clerk in the Mechanicsburg Naval Depot's central mail room, Monday was awarded the first silver dollar to be given by the post in a Fire Prevention Week program. He correctly identified the location of a fire alarm box closest to the mail room.

The inspectors from the fire department roamed the base and selected employees at random to answer a single question about fire safety. The first day, five silver dollars were awarded, with Woodward receiving the first one.

Another winner Monday was Miss Lucille Miller, York Springs, a typist in the Naval Supply Depot.

Lumumba Backers Stone White Motorists In Congo

By DAVID MASON

LEOPOLDVILLE, the Congo (AP)—Scores of Patrice Lumumba's supporters, barred from visiting the deposed premier at his guarded residence, took out their anger on white motorists in this tense capital today.

Europeans driving by Lumumba's luxurious villa ran into a hail of stones from a crowd of Congolese massed in the area. No damages or serious injuries were reported in these and other sporadic incidents, but hostility toward white residents apparently was on the rise.

While opposing soldiers faced each other around the Lumumba residence, the Congo's ruling government commission pondered the next move in its efforts to arrest the ousted premier.

THREATEN UPRISING

The commission Tuesday threatened an army uprising unless U. N. forces hand over Lumumba. Machinegunners of Ghana's U. N. contingent mounted a protective guard around the controversial ex-premier and prevented the execution of the arrest warrant for Lumumba signed by Pres-

Local Pastor Talks To Cashtown Lions

Rev. William E. Fenstermaker, local Methodist pastor, spoke on his experience in India at a meeting of the Cashtown Community Lions Club Tuesday evening at the Cashtown Community Hall.

President Stanley Sharrer presided at the meeting at which Rev. Mr. Fenstermaker showed slides he had taken during his trip to India.

Poverty in India is "unbelievable," the local pastor told the Lions. Daily poor people of India drop over dead on the sidewalks of the cities from starvation. He concluded, "It seems almost impossible to raise the social and economic level of many Indians by any degree whatsoever."

The next meeting of the Cashtown Lions will be held October 25 at the community hall.

CHEST DRIVE TOTAL CLIMBS TO \$12,998

The Gettysburg Community has raised \$12,998, approximately 46 per cent of its goal of \$28,300, Chairman Paul B. Fox announced today following the second report night held Tuesday evening.

Canvassers turned in \$3,967 at the YWCA Tuesday evening.

Fox announced plans for a final report night to be held next Tuesday evening from 7:30 to 9 o'clock at the Gettysburg College dining hall.

Fox urged all solicitors and chairmen of all divisions to seek to complete the campaign by that time.

RESPONSE IS "GOOD"

Contributions so far have been "good," but the collection is moving more slowly than a year ago when approximately \$20,000 had been received up to the corresponding time, Fox said.

A check on donations indicates the public is responding "as well as in the past, but the canvassers have been slower in making reports."

Fox stressed that the campaign is designed to combine seven fund drives into one. Contributions to the Chest support the Library, Boy Scouts, Girl Scouts, Civic Nurse, Red Cross and YWCA. In addition a portion of the funds go to the Pennsylvania United Fund for support of such organizations as the USO.

More Pupils May Enroll On Monday

Additional pupils may enroll next Monday evening at the second session of the annual Leadership Training School being conducted at the Gettysburg Church of the Brethren, Biglerville Rd. Late registration will not prevent full credit for the course if all other requirements are met, school officials said.

There were 60 enrolled Monday evening at the school's first session. Six courses are being offered on Monday evenings through November 14. The Monday classes run from 7:30 to 9:30 p.m.

The Rev. Lester J. Karschner, Abbotstown Lutheran pastor and president of the Adams County Council of Churches, conducted the brief worship service at the opening session. Earlier Monday evening the school staff and the directors of the school attended a dinner meeting.

Courses are being offered on teaching of kindergarten, primary and junior departments, and on the Old Testament, town and country churches and biblical archaeology.

Selling Magazines For Legion Women

Sixteen salesmen, representing the National Organization Service of New York, began selling magazine subscriptions throughout Adams County today for the benefit of the Auxiliary of the Albert J. Lentz Post No. 202 of the American Legion. Each carries a signed authorization from the auxiliary president, Mrs. Mary Fridinger.

Profits from the magazine sales will be used by the auxiliary to purchase additional hospital and sickroom equipment which is available to residents of the county on loan without charge. With proceeds from magazine sales of other years, the auxiliary has purchased crutches, bed rails, polio packs, hospital beds and mattresses, wheel chairs, a walker and a walkette. All are in almost constant use.

The equipment may be borrowed by contacting Mrs. Edith Bushman, 28 Chambersburg St., or Mrs. Fridinger.

Frederic's Beauty Salon will be closed Friday due to death in the family.

JAIL TWO AFTER AUTO CRASHES UTILITY POLE; POWER CUT OFF

Robert E. Reese, 18, Fairfield R. 1, crashed into a Metropolitan Edison pole near the Gettysburg Lutheran Theological Seminary this morning at 4 o'clock, destroying his car, arousing the seminary, cutting off electricity along the Fairfield Rd. and in parts of Gettysburg, and later putting Reese and a friend, John B. Reese, 19, Iron Springs, in the county jail.

Borough police said Robert Reese was driving west on W. Middle St. with John Reese following in another car. At the top of Seminary Ridge the Reese auto failed to make the curve and crashed into the power company pole beside the seminary dormitory, snapping off a high tension line, the guy wire to the pole and a Rt. 116 marker along the highway.

When the high tension line came down it cut off electricity for a time in the area until Metropolitan Edison workmen could repair the broken circuit.

CHASED BY POLICE

Borough Officer Raymond Menges, on patrol in the police car, came upon the scene to find seminary students surrounding the wrecked car. As he brought the police car to a halt one of the seminarians told him: "There goes the fellow who was in the accident in the other car."

Menges gave chase. The other car sped out W. Confederate Ave. to Swope's souvenir stand, then turned onto Peach Orchard Rd. to the Emmitsburg Rd., then headed north into Gettysburg.

BETA SIGMA PHI PLANNING FOR CONVENTION

Further plans for the regional convention of the Beta Sigma Phi Sorority here next June will be outlined Thursday night at 7:30 o'clock at a joint meeting of the Epsilon Delta and Xi Alpha Chi Chapters of the sorority at the Adams Electric Cooperative building, it was announced Tuesday night at a meeting of the Epsilon Delta Chapter at the Adams Electric building, rear of N. Stratton St.

Miss Margaret Redding, Long Lane, president of the chapter, said the committees set up by the two chapters will receive instructions at Thursday's meeting on their duties in connection with the convention.

NAMED "QUEEN"

Miss Redding Tuesday evening was elected "Valentine Queen" by her chapter. Her name was entered in a competition for "Valentine Queen" being held by the chapters throughout the U. S.

Plans were made for presentation of the pledge ritual October 20 at 8:30 p.m. at the Lamp Post Tea Room; for a Halloween party October 31 and for a rummage sale to be held November 26 at the GAR rooms.

Mary Ellen Martz was in charge of the program on "Your Crowning Glory" at Tuesday's meeting. Miss Margaret Spangler, operator of the Hotel Gettysburg Beauty Shop, was the speaker.

Members and pledges were asked to bring favorite pieces of jewelry to the next meeting to be held at the West St. branch of the Gettysburg National Bank October 25 with pledge training starting at 7:30 p.m. Hostesses for Tuesday's meeting were Mrs. Joan Kuhn and Mrs. Shelly Jean Dugan.

ELECT LOWE COMMANDER OF AMVETS

Frank Lowe was elected commander of the Charles J. Gillan Post 172, Amvets, at a meeting Tuesday evening of the post at its home near Fairfield. He will succeed LeRoy Flemming. The installation is scheduled for October 21 when a state officer of the Amvets will conduct the program at a dinner meeting in the post home.

Other officers named Tuesday were Raymond Miller, first vice commander; John Staley, second vice commander; Harry McDannell, third vice commander; Roy Baker, adjutant; Paul McGlaughlin, finance officer; Doyle Rebert, service officer; Attorney Robert Shoemaker, judge advocate; Eugene Sites, youth chairman; Martin Bentz, provost marshal; Clyde Sloat, historian; Charles Singley, chaplain; Roy Baker and Vaughn Dagenhart, representatives to the Southeastern Conference, and Chester S. Shriver, publicity chairman.

Kenneth Weikert reported completion of work on the picnic grove adjoining the post home. A large pavilion has been constructed, a fireplace built and the woods cleared. The post voted to permit any organization, especially veterans' groups, which may wish to use the grove for picnics to utilize the facilities there.

\$10 TO GIRL SCOUTS

A \$10 donation for the Adams County Girl Scout fund campaign was voted. The post also voted to purchase "three bricks" toward a project of the Sons of Union Veterans to place a large tower clock at Scotland School.

Chester Shriver reported on activities of the post honor guard. The group will hold a picnic Sunday afternoon from noon to 6 o'clock and will participate in parades October 26 at Gettysburg; October 27 at Hanover; October 28 at Hagerstown, and November 19 for the Dedication Day services here.

Following the post, directors and home association meetings, refreshments were served and slides showing Memorial Day activities at Gettysburg were shown.

Will Erect Signs For Intersection

State Highway Secretary Park H. Martin has ordered additional warning signs placed on old Rt. 15 on approaches to its junction with the new route at York Springs as a safety measure.

A letter from Secretary Martin to Assemblyman Francis Worley said an investigation of accident hazards at that point, where several accidents have occurred, convinced him that there is no reason for accidents there except excessive speed. The warning signs are to warn drivers of that danger.

Several weeks ago Mr. Worley had written the highway secretary calling attention to accident hazard there and asking appropriate action.

Mr. Worley, on the behalf of constituents who have contacted him, has asked the Highway Department to inspect the Idaville-York Springs Rd. with a view of widening it, straightening curves and making general improvements there to make the road more safe for motorists.

RED SEAMAN DEFIES BRASS

NEW YORK (AP)—The young Estonian sailor who fled Soviet Premier Khrushchev's own ship has defied Soviet diplomats who urged him to return.

Victor Jaanimets, 29, described the dramatic confrontation at immigration headquarters Tuesday.

"At first I refused to see them, but inasmuch as they requested once more to see me I said I would talk to them," he said.

"Both of them asked me whether I was forced to make my decision. I told them, 'No. Nobody forced me. I made my decision a long time ago.'"

"They said, 'So in other words this is your will, your wish.' They said every Soviet citizen has the right to decide where he will live. And I told them, 'Your remark doesn't reflect the truth. It is a lie.'"

The Soviet officials were Victor Ozopov, second secretary of the Soviet Embassy in Washington, and Valeri Kravchenko, an embassy attaché.

The slim, light-haired seaman slipped away from a five-man shore party during a shopping and sightseeing expedition in Manhattan Monday afternoon.

After calling Estonia refugee groups, he was taken to the immigration office.

An Immigration Service official said Jaanimets would remain in custody while "a few matters are being checked."

The Fair Campaign Practices Committee of Bucks County said today that anti-Catholic hate literature is flowing into Lower Bucks County.

Samuel Glantz, of Levittown, president of the Bucks County Conference on Community Relations, parent body of FCPC, said the committee intended to expose "everyone who persists in these pernicious attempts to instill hate and fear in our community."

Sen. John F. Kennedy, the Democratic candidate for president, is a Roman Catholic.

SOVIETS THINK U. N. IS JUST A DEBATE HALL

UNITED NATIONS, N.Y. (AP)—Premier Khrushchev's words and attitudes during his visit to the U.N. General Assembly illuminate a basic obstacle in the path toward real peace. The Communists and Western parliamentary democracies are worlds apart in their conceptions of what the United Nations should be.

Khrushchev told the assembly Tuesday the United Nations was created for the discussion of disputes and for "solving important problems of ensuring peace."

The Soviet view apparently is this: That the United Nations can discuss and can agree, but it cannot either police or enforce agreements.

SORT OF PARLIAMENT

When the United Nations first came into being, Western leaders viewed it as a step toward the old dream of a parliament of man that would forever outlaw war and mass bloodshed.

Thus, the West—and particularly the English-speaking peoples—regards the United Nations as a sort of parliament whose decisions have the force of authority.

But there are no parliaments in the Communist world. Those bodies which are called parliaments can do nothing but talk, discuss and agree. Decisions are reached at the higher government levels.

KHRUSHCHEV'S VIEW

How does Khrushchev view the United Nations? He told a meeting of U.N. correspondents Friday: "This is not a parliament. It is a forum in which questions should be resolved, but in such a way as not to endanger the interests of even a single state among those that make up this forum."

The rule of the majority, which is the foundation of Western Parliamentary democracies, is a puzzle to the Russians, who have had no experience with it. It is strictly a rule of the minority.

SCHOOL GRID PLAYER HURT

"TRUTH SQUAD" SPREADS WORD ACROSS STATE

HARRISBURG (AP)—Democratic platform proposals would cost Pennsylvania taxpayers more than all the gold in Ft. Knox over a 10-year period, says the Republican's self-styled "Truth Squad."

The four-member squad, stopping here Tuesday in a flying tour of Pennsylvania, said in an airport interview that the "most conservative estimates show that Pennsylvanians will have to pay \$13.4 billion more in the next decade than they are already paying if the Democrats win the White House and adopt their program."

Sen. Norris Cotton, New Hampshire, said only 12 1/2 billion dollars in gold is stored in Ft. Knox. He added that the cost of the Democratic program to Pennsylvanians in its first year alone would be \$953 million.

CONTRADICT KENNEDY

Cotton contradicted what he said were estimates by Sen. John F. Kennedy, the Democratic presidential nominee, that his party's program could be financed without unbalancing the budget or without increasing taxes.

"We have seen many non-political estimates of what the Democratic program would cost, ranging from \$13 to \$18 billion," said Cotton. "and we have taken the most conservative figure, \$13 billion, on which to base these projections."

The squad hit Kennedy on what they called these "outrageous half truths and inaccuracies."

"JUGGLES TRUTH"

Housing—Kennedy was quoted by the squad as saying 15 percent of all Americans live in substandard housing. "What he should have said," added Theodore Stevens, an Interior Department solicitor, "was that in 1953, 32.5 percent of American homes were substandard and that the Republican administration has reduced that to 15 percent."

Latin America—"Kennedy juggled the truth in saying the U. S. has ignored Latin America in the last eight years," said Cotton. He added that the administration has spent \$250,000 annually to beam information in Spanish and Portuguese to South American nations.

TRUCK DRIVER

(Continued From Page 1) thrown from the vehicle.

State Policeman Clifford Lightner told the jury Gaylor had told him he was driving at 55 miles an hour during an interview on the day of the accident.

John Wagaman, 14, one of the students at the Hoffman home, who was seated beside Gaylor in the cab of the truck, said he noticed a speedometer reading of 65 miles an hour shortly before the vehicle entered the curve and said Gaylor "took his foot off the pedal and the speed dropped to 60-62 miles an hour."

William Clayton Linebaugh Jr., 14, another occupant of the front seat of the truck, said he was seated forward and did not notice the speedometer. The third youth in the cab, George Patrick Gipe, was fatally injured.

GOING TO JURY

Both Wagaman and Linebaugh said they had previously driven automobiles.

By noon today testimony was complete in the case and the attorneys had submitted their arguments. At 1:30 p.m., Judge W. C. Sheely began his charge to the jury.

Members of the jury are Mrs. Romaine Alwine, East Berlin R. 2; Paul R. Baird, 511 Steinwehr Ave.; Ralph V. Bowers, Littlestown; Mrs. Mabel G. Bream, Gettysburg R. 2; Herbert Cluck, Arentsville; Margaret Currens, Littlestown; A. S. Kunkel, 140 S. Howard Ave.; Richard C. Lighter, 353 Buford Ave.; Clair Spangler, Abbottstown R. 1; Fred Stough, York Springs; Mrs. Ruth V. William, York Springs; and Harry Zimmerman, Gettysburg R. 5.

FACES TWO CHARGES

James Marshall, Biglerville R. 1, has been sent a 10-day notice by Justice of the Peace Anna F. Thompson on two charges filed by the state police, a stop sign violation at West St. and Route 116, and operating a motor vehicle without a driver's license.

ELECT LOWE COMMANDER OF AMVETS

Frank Lowe was elected commander of the Charles J. Gillan Post 172, Amvets, at a meeting Tuesday evening of the post at its home near Fairfield. He will succeed LeRoy Flemming. The installation is scheduled for October 21 when a state officer of the Amvets will conduct the program at a dinner meeting in the post home.

Other officers named Tuesday were Raymond Miller, first vice commander; John Staley, second vice commander; Harry McDannell, third vice commander; Roy Baker, adjutant; Paul McGlaughlin, finance officer; Doyle Rebert, service officer; Attorney Robert Shoemaker, judge advocate; Eugene Sites, youth chairman; Martin Bentz, provost marshal; Clyde Sloat, historian; Charles Singley, chaplain; Roy Baker and Vaughn Dagenhart, representatives to the Southeastern Conference, and Chester S. Shriver, publicity chairman.

Kenneth Weikert reported completion of work on the picnic grove adjoining the post home. A large pavilion has been constructed, a fireplace built and the woods cleared. The post voted to permit any organization, especially veterans' groups, which may wish to use the grove for picnics to utilize the facilities there.

\$10 TO GIRL SCOUTS

A \$10 donation for the Adams County Girl Scout fund campaign was voted. The post also voted to purchase "three bricks" toward a project of the Sons of Union Veterans to place a large tower clock at Scotland School.

Chester Shriver reported on activities of the post honor guard. The group will hold a picnic Sunday afternoon from noon to 6 o'clock and will participate in parades October 26 at Gettysburg; October 27 at Hanover; October 29 at Hagerstown, and November 19 for the Dedication Day services here.

Following the post, directors' and home association meetings, refreshments were served and slides showing Memorial Day activities at Gettysburg were shown.

Will Erect Signs For Intersection

State Highway Secretary Park H. Martin has ordered additional warning signs placed on old Rt. 15 on approaches to its junction with the new route at York Springs as a safety measure.

A letter from Secretary Martin to Assemblyman Francis Worley said an investigation of accident hazards at that point, where several accidents have occurred, convinced him that there is no reason for accidents there except excessive speed. The warning signs are to warn drivers of that danger.

Several weeks ago Mr. Worley had written the highway secretary calling attention to accident hazard there and asking appropriate action.

Mr. Worley, on the behalf of constituents who have contacted him, has asked the Highway Department to inspect the Idaville-York Springs Rd. with a view of widening it, straightening curves and making general improvements there to make the road more safe for motorists.

Stung By

(Continued From Page 1) election precludes the United States from assuming "any new important obligations" on disarmament.

Western delegates opposed this proposition. Hours later Khrushchev suddenly demanded the Russian again.

"WE'LL BEAT YOU"

He humbled onto the dais and began to storm.

He seemed to take the position that the West was trying to frighten him.

"We won't be bullied. We won't be scared," he thundered. "If you want to compete with us in the armaments race, we will beat you at that. Our rockets come out like sausages from the machine. Do you want to try us out?"

RED SEAMAN DEFIES BRASS

NEW YORK (AP)—The young Estonian sailor who fled Soviet Premier Khrushchev's own ship has defied Soviet diplomats who urged him to return.

Victor Jaanimies, 29, described the dramatic confrontation at immigration headquarters Tuesday. "At first I refused to see them, but inasmuch as they requested once more to see me I said I would talk to them," he said. "Both of them asked me whether I was forced to make my decision. I told them, 'No. Nobody forced me. I made my decision a long time ago.'"

"They said, 'So in other words this is your will, your wish.' They said every Soviet citizen has the right to decide where he will live. And I told them, 'Your remark doesn't reflect the truth. It is a lie.'"

The Soviet officials were Victor Ozipov, second secretary of the Soviet Embassy in Washington, and Valeri Kravchenko, an embassy attaché.

The slim, light-haired seaman slipped away from a five-man shore party during a shopping and sightseeing expedition in Manhattan Monday afternoon. After calling Estonia refugee groups, he was taken to the immigration office.

An Immigration Service official said Jaanimies would remain in custody while "a few matters are being checked."

Hate Literature In Bucks County

DOYLESTOWN, Pa. (AP)—The Fair Campaign Practices Committee of Bucks County said today that anti-Catholic hate literature is flowing into Lower Bucks County.

Samuel Glantz, of Levittown, president of the Bucks County Conference on Community Relations, parent body of FCCP, said the committee intended to expose "everyone who persists in these pernicious attempts to instill hate and fear in our community."

Sen. John F. Kennedy, the Democratic candidate for president, is a Roman Catholic.

SOVIETS THINK U. N. IS JUST A DEBATE HALL

UNITED NATIONS, N.Y. (AP)—Premier Khrushchev's words and attitudes during his visit to the U.N. General Assembly illuminate a basic obstacle in the path toward real peace. The Communists and Western parliamentary democracies are worlds apart in their conceptions of what the United Nations should be.

Khrushchev told the assembly Tuesday the United Nations was created for the discussion of disputes and for "solving important problems of ensuring peace."

The Soviet view apparently is this: That the United Nations can discuss and can agree, but it cannot either police or enforce agreements.

SORT OF PARLIAMENT

When the United Nations first came into being, Western leaders viewed it as a step toward the old dream of a parliament of man that would forever outlaw war and mass bloodshed.

Thus, the West—and particularly the English-speaking peoples—regards the United Nations as a sort of parliament whose decisions have the force of authority.

But there are no parliaments in the Communist world. Those bodies which are called parliaments can do nothing but talk, discuss and agree. Decisions are reached at the higher government levels.

KHRUSHCHEV'S VIEW

How does Khrushchev view the United Nations then? He told a meeting of U.N. correspondents Friday: "This is not a parliament. It is a forum in which questions should be resolved, but in such a way as not to endanger the interests of even a single state among those that make up this forum."

The rule of the majority, which is the foundation of Western Parliamentary democracies, is a puzzle to the Russians, who have had no experience with it. Theirs is strictly a rule of the minority.

SCHOOL GRID PLAYER HURT

Seven persons received treatment Tuesday at the Warner Hospital for injuries sustained in a wide variety of accidents.

Jack Bucher, 17, son of Mr. and Mrs. Harold Bucher, R. 2, was treated for a sprain and contusions of the left shoulder suffered while practicing football at Gettysburg High School; Julius Swope, 36, 301 Ridge Ave., contusions and fracture of the left big toe sustained when a battery fell on his foot; Henry Geigley, 10, son of Mr. and Mrs. Robert Geigley, R. 2, laceration of the tongue received when he fell while playing at the recreation field; James Joy, 19, Emmitsburg, gunshot wound of the right thigh which was accidentally self-inflicted.

Donald Myers, 15, son of Mr. and Mrs. Elwood Myers, Union Bridge R. 1, Md., fracture of the nose suffered when he collided with another player while playing soccer; Russell Reaver, 66, Littlestown R. 2, amputation of the right little finger which became caught in a V-belt; Philip Walter, 14, son of Mr. and Mrs. Bernard Walter, R. 5, laceration of the right knee.

Benson Urged To Extend Suspension

SYRACUSE, N. Y. (AP)—Secretary of Agriculture Ezra Taft Benson has been urged by the Eastern Milk Producers Cooperative to extend for another six months the suspension he ordered recently of the supply-and-demand factor in the New York milk-price formula.

The suspension means New York farmers receive approximately 15 cents more a hundredweight (46.3 quarts) for their milk. Their prices have been hurt by surpluses. Benson's order is due to expire at the end of the year.

Eastern Tuesday suggested an alternative to the extension that Benson amend the current milk-marketing order temporarily and call an emergency hearing in December.

Mountaineers To Try New QB Soon

MORGANTOWN, W. Va. (AP)—West Virginia University football fans will be seeing a new quarterback run the team soon.

His name is Larry Tracewell. He is a 19-year-old, six foot, 180-pound sophomore from Parkersburg, W. Va. When he will play is uncertain, and how long he will last even more so.

All Coach Gene Corum said Tuesday was that he was "going to have to try him out."

KILLED IN BLAZE

CHESTER, Pa. (AP)—Ralph Bailey, 38, was killed in a fire at his trailer home in suburban Trainer. Investigators said it appeared the fire may have started when an oil stove exploded. Bailey, a crane operator for Westinghouse Electric Corp. in Lester, was found near a door of the 28-foot trailer.

CONTRADICT KENNEDY

Cotton contradicted what he said were estimates by Sen. John F. Kennedy, the Democratic presidential nominee, that his party's program could be financed without unbalancing the budget or without increasing taxes.

"We have seen many nonpolitical estimates of what the Democratic program would cost, ranging from \$13 to \$18 billion," said Cotton. "And we have taken the most conservative figure, \$13 billion, on which to base these projections."

"JUGGLES TRUTH"

Housing—Kennedy was quoted by the squad as saying 15 percent of all Americans live in substandard housing. "What he should have said," added Theodore Stevens, an Interior Department solicitor, "was that in 1953, 32.5 percent of American homes were substandard and that the Republican administration has reduced that to 15 percent."

TRUCK DRIVER

(Continued From Page 1)

WAS GOING 65 M.P.H. State Policeman Clifford Lightner told the jury Gaylor had told him he was driving at 55 miles an hour during an interview on the day of the accident.

John Wagaman, 14, one of the students at the Hoffman home, who was seated beside Gaylor in the cab of the truck, said he noticed a speedometer reading of 65 miles an hour shortly before the vehicle entered the curve and said Gaylor "took his foot off the pedal and the speed dropped to 60-62 miles an hour."

William Clayton Linebaugh Jr., 14, another occupant of the front seat of the truck, said he was seated forward and did not notice the speedometer. The third youth in the cab, George Patrick Gipe, was fatally injured.

GOING TO JURY

Both Wagaman and Linebaugh said they had previously driven automobiles.

By noon today testimony was complete in the case and the attorneys had submitted their arguments. At 1:30 p.m., Judge W. C. Sheely began his charge to the jury.

Members of the jury are Mrs. Romaine Alwine, East Berlin R. 2; Paul R. Baird, 511 Steinwehr Ave.; Ralph V. Bowers, Littlestown; Mrs. Mabel G. Bream, Gettysburg R. 2; Herbert Cluck, Arendtsville; Margaret Currens, Littlestown; A. S. Kunkel, 140 S. Howard Ave.; Richard C. Lighter, 353 Buford Ave.; Clair Spangler, Abbottstown R. 1; Fred Stough, York Springs; Mrs. Ruth V. William, York Springs, and Harry Zimmerman, Gettysburg R. 5.

FACES TWO CHARGES James Marshall, Biglerville R. 1, has been sent a 10-day notice by Justice of the Peace Anna F. Thompson on two charges filed by the state police, a stop sign violation at West St. and Route 116, and operating a motor vehicle without a driver's license.

LICENSED TO MARRY

The following have secured wedding licenses in Westminster: John C. Tate, Peach Glen, and Anna Moria Brown, Gettysburg; Alpha H. Rimey Jr. and Betty L. Wiseman, Littlestown.

PLAN BENEFIT PARTY

The Ladies' Auxiliary of the Boy Scouts of York Springs has announced a benefit skating party Friday evening from 8 to 11 o'clock at the Mary Jane Rink, near York Springs. Proceeds will be used for Troop 89 activities at York Springs.

FORTY HOURS SERVICE ENDS TUESDAY NIGHT

Solemn closing for the annual Forty Hours Devotion in St. Aloysius Catholic Church was held on Tuesday evening and the church was filled to capacity for the service. The Rev. Julius Durkin, missionary from the Passionist Monastery in Baltimore, conducted the devotion and delivered the sermons at the services. For his closing message, he challenged the parishioners to be faithful to their prayers and other religious duties, not only during the time of special services but every day of the year.

The closing service included professional: rosary lead by the Rev. Leroy F. Spizak, St. Francis Xavier parish, Gettysburg; "Veni Creator" by the Senior Choir; message by the missionary; "Panis Angelicus," solo, Miss A. Marie Budde; procession of the Blessed Sacrament; chanting of the Litany of the Saints by the priests with the Rev. Joseph F. Braubitz, pastor of Immaculate Heart of Mary, Abbotstown, and the Rev. Frederick Roof, assistant pastor at St. Vincent's, Hanover, as chanters, and benediction with "Holy God" as the closing hymn. The Rt. Rev. Msgr. Patrick F. McGee, pastor of Annunciation of the Blessed Virgin Mary Church, McSherrystown, was celebrant; the Rev. Francis Lahout, also of McSherrystown, was deacon and the Rev. William J. Sullivan, assistant at Gettysburg, was subdeacon. Other priests in attendance for Forty Hours were the Rev. Philip J. Gergen, New Oxford; Rev. Ronald J. Bodenstatz, prior of Franciscan Fathers, Spring Grove; Rev. Bernard V. Matern, Carlisle; Rev. Leo J. Krichen, McSherrystown; Rev. Louis J. Yeager, Buchanan Valley; Rev. John P. Bolen, Conewago; Rev. Anthony F. Kane, Gettysburg; Rev. Andrew J. Pontella, Chambersburg; Rev. Salvatore Zangari, Shippensburg; Rev. Thomas F. Lawler, administrator at St. Aloysius, was master of ceremonies.

Participating in the procession were Francis Redding as cross bearer; Ronald Redding and Clyde Rohrbach as acolytes; James Long and Laurence Altoff, cantor; the altar boys, the members of the Holy Name Society of the parish and the visiting priests.

STUDENTS MEET
The Student Council of Littlestown Junior-Senior High School held the first meeting of the 1960-1961 school term on Tuesday afternoon with Frank E. Basehoar, high school principal, representing the faculty, in attendance. The new president, Robert Benner, presided and urged attendance for all members of the council at all meetings. "THE FIRST KISS"

Two lips untouched by others
... yet burning nonetheless
... to feel the blissful magic
... of someone's soft caress
... they open like a rosebud
... red and sweet as wine
... offering a treasure
... tender and divine
... then almost without warning
... comes the pleasure rare
... a most enchanting answer
... to a hopeful prayer
... like a sojourn into paradise
... fulfillment came at last
... wonderful elation
... but over much too fast
... now lips have tasted nectar
... that fills the cup of love
... now they are lips desiring
... to roam the clouds above
... at one time or another
... we have all experienced this
... the thrill unlike all others
... the first endearing kiss.

of last year's secretary-treasurer, Carole Baumgardner.

There was a discussion of the existing congestion in the school corridors. Mr. Basehoar suggested that a committee be appointed to investigate this problem, and the following committee was appointed: James Kroh, chairman, Sadi Hawk, Paul Krum, Neal Leister and William Prosperi. This committee will present plans and ideas at the next meeting on Tuesday, November 1.

Cards were distributed for the Red Cross Drive to be conducted in the school from October 17 to November 1. The class representatives will take care of the funds in the various home rooms and the funds will then be turned over to Mrs. Nelle Held of the faculty. It was decided that members of the Student Council will report to their classes on proceeds of the council meetings after the opening devotion on the morning after the meeting. Mr. Basehoar spoke on school attendance. The principal advocated that any problems concerning the school be brought before the student council.

GIRL SCOUTS MEET

Girl Scout Troop 56 met on Monday afternoon at the engine house with games and activities in charge of the leaders, Mrs. James H. Spalding, Mrs. Fred Hartlaub and Mrs. William Moon. Patrols were assigned and election will be held within the patrols at the meeting next Monday. A Halloween party and troop birthday party will be held at the Spalding farm along the Littlestown-Hanover Rd. on Sunday, October 30, in the form of a cook-out.

Mrs. Robert H. Miller, president of the Woman's Community Club of Littlestown and vicinity, and Mrs. Monroe J. Stavelly, project chairman, thank all who patronized and helped in any way to make the showing of the religious film "Day of Triumph" at the Towne Theater last Thursday a success. The movie was a club-sponsored project and proceeds will go to the proposed community

CWV ELECT ORNDORFF

Joseph Orndorff was elected commander of the Catholic War Veterans' post Tuesday evening at a session held at the post home at Bonneauville. He succeeds Maurice Smith. The new officers will be installed at the annual ladies' night banquet November 19.

Other officers elected were Joseph Clabaugh, first vice commander; Bernard Lemmon, second vice commander; Norman Weaver, third vice commander; Justus Arthur, treasurer; Arthur Weaver, judge advocate; Francis Neiderer, welfare officer; Eugene Long, historian; Burnell Cease, officer of the day; Dale Witherow, medical officer, and Robert Strausbaugh, trustee. The other trustees are Clement Hawn and Charles Holtz.

Plans announced by Burnell Cease, chairman of the November 19 banquet committee, indicated that a state official, probably the state commander of the CWV, will conduct the installation on that date. Other members of the banquet committee include Alfred Smith, Justus Arthur, Raymond Weishaar and Francis Clabaugh.

Incoming Commander Orndorff was named chairman of the committee for a Communion breakfast October 30 at which Father Hugh of the Franciscans at Spring Grove will be the speaker. Other members of Orndorff's committee include Alfred Smith, Edward Smith and Robert Strausbaugh.

Japanese

(Continued From Page 1)

In arms in demonstrations against the new U.S.-Japan security treaty last spring—led the march on the station.

They carried placards proclaiming "Down with the Ikeda Cabinet which killed Asanuma" and "Don't permit terrorism."

It was the first major political murder in 24 years in a country where "government by assassination" was prevalent before World War II. But it was the third political stabbing by a rightist fanatic in four months—the other victims recovered—and it raised fears that ultranationalist terrorism once again is becoming a major factor in political life.

IN MIDST OF SPEECH

Asanuma, 61, was in the midst of a speech when Yamaguchi rushed from the left side of the stage and struck twice with his sword. Asanuma staggered two or three steps, held his chest, mumbled some words and collapsed on the blood-spattered stage.

Conservative Prime Minister Hayato Ikeda was sitting less than two yards away. At the hospital doctors administered oxygen and a heart stimulant, but he was dead when he reached the operating table.

The slaying gave the left wing a martyr and could help the Socialists in the campaign to cut down the conservatives' strong parliamentary majority next month.

KENNEDY WILL VISIT SIX PA. COUNTIES SOON

HARRISBURG (AP)—Sen. John F. Kennedy will visit six counties in his Oct. 15 campaign through western Pennsylvania, Democratic state headquarters reported Tuesday.

The counties are Mercer, Lawrence, Butler, Armstrong, Indiana and Cambria. There was a possibility of a side trip into Beaver County. All but Cambria are predominantly Republican regions. Cambria has a GOP-held state senate seat which Democrats hope to capture.

Kennedy will come into Pennsylvania from the Youngstown Ohio, Airport the night of Oct. 14, stay overnight near Sharon (Shenango Inn), then appear in that city at 8 a.m. EDT.

PLANS SIDE TRIP

From Sharon his itinerary is to New Castle, Butler, Kittanning, Indiana and Johnstown, where he will make an evening appearance at the Memorial Arena.

Democratic headquarters said a side trip into Beaver County would be made from New Castle if the time permitted.

Headquarters also listed this tentative itinerary for Democratic vice presidential nominee Lyndon B. Johnson next Tuesday: Arrive at Williamsport Airport 9 a.m., then make a motor tour and appearances in Williamsport, Milton, Lewisburg, Sunbury, Shamokin, Mount Carmel, Pottsville, Hamburg and Allentown, where he will address an 8 p.m. rally.

SECOND POLIO VICTIM

PHILADELPHIA (AP)—The City Health Department said today that a student nurse was the city's second polio victim this year.

Dr. Eugene Gillis said the nurse, 22 recovered, is Joanne Beatty, of Riviera Beach, Md. She works at the Wilmington Delaware General Hospital and was stricken in August while taking special training at Philadelphia General Hospital.

border. There were no motels, few gas stations or even towns. The countryside is very hilly and arid.

"Madrid is much more modern, apartments being built. There than we had anticipated with blocks and blocks of modern are lovely parks everywhere and beautiful fountains. Seville, by contrast, appears very antiquated with her narrow streets and old world atmosphere. Here we attended the famous bullfights during the annual Seville Festivals.

"Spain today is quite isolated and under a strict dictatorship. The people are extremely anxious to learn of the outside world since all news is censored. PAY IS SMALL.

"Life is very hard for the people. The so called middle class survive by working at not one but two or three different jobs to earn \$1.50 to \$2 per day. One pound of meat may cost 80 or 90 cents so they can't afford it very often. The laboring man just manages to exist.

"The upper class leads a different life. They breakfast at about 10 a.m. on coffee and hard rolls. A full course meal is served around 3 or 4 o'clock in the afternoon, after which they rest or have a "siesta." About 6 p.m. they visit friends at sidewalk cafes and enjoy wine and tidbits of sea food, etc. The streets teem with people at this hour. About 10 p.m. they eat dinner and then they may go to the theater or dance from 11 p.m. to 3 o'clock in the morning."

The banquet was in charge of the International Good Will and Understanding Committee. Mrs. Frederic Griest acted as toastmistress and the invocation was given by Mrs. Elizabeth Hennig. Mrs. George F. Eberhart was song leader, assisted by Mrs. Samuel Higginbotham at the piano. Others who served on the committee were Mrs. Edith Ditchburn and Miss Evelyn Altoff.

Members brought with them many objects from foreign countries which were placed on display.

On Monday, Intermediate Girl Scout Troop 55 met at the Methodist Church. The girls hiked to Spangler's Springs for a picnic supper. Mrs. James Slaybaugh, Mrs. Willis Weikert and Irene Glenn accompanied them. Mrs. Glenn Harner and Mrs. Archie Strickland served the picnic supper.

Brownie Troop 71 met Monday afternoon at the St. James Lutheran Church. Orders were taken for Girl Scout calendars and signs were made by three of the girls to display at the bake sale to be held Saturday, October 22, beginning at 7 a.m. in front of the Gettysburg Motor Club, Lincoln Square. Each of the other girls made posters for store window display. Mrs. Paul Reaser led the girls in singing and taught some new songs. The girls were reminded that there will be no meeting next week since there is no school. Leaders present were Mrs. Leo Kuhn Jr., Mrs. Orville Orner and Mrs. M. I. Bergdale.

Senior Girl Scout Troop 42 met Tuesday evening at the Girl Scout office in the First National Bank building with Vice President Linda Bream in charge. The treasurer reported a balance of \$112.9. It was also decided to pay dues of 20 cents every two weeks. Mrs. Ralph Bream was directed to purchase 26 Girl Scout calendars. The group decided to go on a hay ride November 5 from 7 to 10:30 p.m. and Kay Newman was appointed as the representative for Youth Appreciation Week. Leaders for the evening were Mrs. Ralph Bream and Mrs. Robert Moose.

BABE SUFFOCATES

LEBANON, Pa. (AP)—A baby suffocated in a plastic crib sheet at his home near here Tuesday. The victim was David G. Hummel, 3-month-old son of Mr. and Mrs. William Hummel of Lebanon R. 3. The parents were at work and had left the infant with a sitter.

JAIL TWO AFTER

(Continued From Page 1)
Menges lost the car ahead when it reached Gettysburg but had gotten close enough to determine the license number.

State police teletype was used to send the number to Harrisburg to determine ownership of the car. Menges checked the name he received, John Reese, and then began a search of the town.

He found the car parked on W. Middle St., entered a home there, and found that John and Robert Reese had gone to the home, and fallen asleep on chairs.

BOTH WERE DRINKING

When he woke them they told him they had been driving out W. Middle St. Robert had failed to negotiate the curve and his car was demolished against the pole. Robert suffered some cuts and abrasions, but when he saw police approaching entered John Reese's car and the two sped off wishing to avoid police at the moment. They told Officer Menges they had been drinking.

The two were taken before Justice of the Peace Robert P. Snyder where charges of leaving the scene of an accident and reckless driving were filed against both. Robert was charged also with driving without an operator's license.

In default of bail the two were removed at 6:45 o'clock to the county jail.

Damage to Robert Reese's 1950 coupe, which was demolished, was estimated at \$100.

Will Seize More Pinball Machines

HARRISBURG (AP)—Atty. Gen. Anne K. Alpern said Tuesday state police will be asked to seize converted multiple-coin pinball machines as soon as she receives a copy of a U. S. Supreme Court decision upholding her position.

Miss Alpern's original order declaring these machines illegal even when converted into single coin operation was the subject of the high court ruling.

She had issued the ruling several months ago after state courts decided in a long-fought legal battle that multiple-coin machines were illegal gambling devices.

Couple Observes Golden Wedding

Mr. and Mrs. Ambrose J. Klunk, Hanover R. 3, celebrated their golden wedding anniversary at a Mass in St. Joseph's Catholic Church, Hanover, Saturday morning celebrated by the pastor, Rt. Rev. Msgr. Charles E. Park. The couple were married October 5, 1910.

Mr. Klunk, a native of Bonneauville, is a son of the late Henry and Mary Schmidt Klunk, and his wife, the former Clara Frances Baugher, a native of Hanover, is a daughter of the late William E. and Annie E. Sleeder Baugher. The couple have three sons, Capt. Richard S. Klunk, USN, retired, Hanover R. 3; Lt. Col. Mark C. Klunk, U. S. Army, professor of military science and tactics at Washington and Jefferson College, Washington, Pa., and Robert J. Klunk, York. They also have 13 grandchildren.

Mr. and Mrs. Klunk, who received the apostolic benediction conferred by Pope John through the apostolic delegate, Cardinal Vagnozzi, Washington, D. C., were guests at a surprise party last week tendered by Mr. and Mrs. Albert Klunk, Mr. Klunk's brother and sister-in-law, who served as their wedding attendants.

Guest Speaker At Idaville Church

Alfred Florez, a native of Peru, will speak Sunday morning at 10:30 o'clock at the Idaville United Brethren Church.

Florez is a former Roman Catholic priest but in 1951 became affiliated with Christ's Mission at Sea Cliff, N. Y., as a Protestant minister. In 1950 he served as assistant pastor in Brentwood, Long Island.

HELP GOP TICKET

PHILADELPHIA (AP)—Pretty girls, armed with nickels, set out today from local Nixon-Lodge headquarters in quest of votes for the Republican ticket.

The girls job is to put nickels in parking meters on which time is about to expire, then place a card on the windshield of the car telling the motorist how he was saved from a \$3 parking ticket.

RICHTER TOPS MAC IN PASS RECEPTIONS

The football teams of Lehigh and Lafayette, currently sharing the lead in the Middle Atlantic Conference's university division, are prominently represented in individual statistics compiled at the end of the third week of the season.

Lafayette's Charlie Bartos has jumped to a commanding lead in individual rushing with 251 yards on 53 carries. Second in line is Al Richmond of Lehigh, credited with 114 yards on 23 carries. Both backs have averages of more than four yards a carry. Bartos' ground-gaining feat has also given him the edge in total offense.

Lafayette quarterback Mike Dil completed six passes in defeating Delaware last weekend to bring his two-game total to 13, highest in the division. Gettysburg's Earl Little is second with 11 completions.

11 RECEPTIONS

The division's top pass receiver at this point is Gettysburg's Harry Richter, who has collected 11 aeriels in two games for 142 yards and one touchdown. Lehigh's Jim Needham is second with five catches.

Delaware's Pape Lukk holds an edge in the punting department. The Estonia native has boomed 12 punts for a total of 488 yards, an average of 40.7 yards a kick. Don Carpenter of Gettysburg has a 39.5 average and Walt Doleschal of Lafayette has a 38.7 mark.

Boyd Taylor, hard-driving Lehigh fullback, has scored four TD's in his two conference appearances to claim the division scoring lead, while teammate Jim Needham, owner of a pair of touchdowns, is second. Earl Little is third with 10 points.

The movie was a club sponsored project and proceeds will go to the proposed community center.

CWV ELECT
ORNDORFF

Joseph Orndorff was elected commander of the Catholic War Veterans' post Tuesday evening at a session held at the post home at Bonneauville. He succeeds Maurice Smith. The new officers will be installed at the annual ladies' night banquet November 19.

Other officers elected were Joseph Clabaugh, first vice commander; Bernard Lemmon, second vice commander; Norman Weaver, third vice commander; Justus Arthur, treasurer; Francis Neiderer, welfare officer; Eugene Long, historian; Burnell Cease, officer of the day; Dale Witherow, medical officer, and Robert Strausbaugh, trustee. The other trustees are Clement Hawn and Charles Holtz.

Plans announced by Burnell Cease, chairman of the November 19 banquet committee, indicated that a state official, probably the state commander of the CWV, will conduct the installation on that date. Other members of the banquet committee include Alfred Smith, Justus Arthur, Raymond Weishaar and Francis Clabaugh.

Incoming Commander Orndorff was named chairman of the committee for a Communion breakfast October 30 at which Father Hugh of the Franciscans at Spring Grove will be the speaker. Other members of Orndorff's committee include Alfred Smith, Edward Smith and Robert Strausbaugh.

in-arms in demonstrations against the new U.S.-Japan security treaty last spring—led the march on the station.

They carried placards proclaiming "Down with the Ikeda Cabinet which killed Asanuma" and "Don't permit terrorism."

It was the first major political murder in 24 years in a country where "government by assassination" was prevalent before World War II. But it was the third political stabbing by a rightist fanatic in four months—the other victims recovered—and it raised fears that ultranationalist terrorism once again is becoming a major factor in political life.

IN MIDST OF SPEECH

Asanuma, 61, was in the midst of a speech when Yamaguchi rushed from the left side of the stage and struck twice with his sword. Asanuma staggered two or three steps, held his chest, mumbled some words and collapsed on the blood-spattered stage.

Conservative Prime Minister Hayato Ikeda was sitting less than two yards away.

At the hospital doctors administered oxygen and a heart stimulant, but he was dead when he reached the operating table.

The slaying gave the left wing a martyr and could help the Socialists in the campaign to cut down the conservatives' strong parliamentary majority next month.

KENNEDY WILL
VISIT SIX PA.
COUNTIES SOON

HARRISBURG (AP)—Sen. John F. Kennedy will visit six counties in his Oct. 15 campaign through western Pennsylvania, Democratic state headquarters reported Tuesday.

The counties are Mercer, Lawrence, Butler, Armstrong, Indiana and Cambria. There was a possibility of a side trip into Beaver County. All but Cambria are predominantly Republican regions. Cambria has a GOP-held state senate seat which Democrats hope to capture.

Kennedy will come into Pennsylvania from the Youngstown, Ohio, Airport the night of Oct. 14, stay overnight near Sharon (Shenango Inn), then appear in that city at 8 a.m., EDT.

PLANS SIDE TRIP

From Sharon his itinerary is to New Castle, Butler, Kittanning, Indiana and Johnstown, where he will make an evening appearance at the Memorial Arena.

Democratic headquarters said a side trip into Beaver County would be made from New Castle, if the time permitted.

Headquarters also listed this tentative itinerary for Democratic vice presidential nominee Lyndon B. Johnson next Tuesday:

Arrive at Williamsport Airport 9 a.m., then make a motor tour and appearances in Williamsport, Milton, Lewisburg, Sunbury, Shamokin, Mount Carmel, Pottsville, Hamburg and Allentown, where he will address an 8 p.m. rally.

SECOND POLIO VICTIM

PHILADELPHIA (AP)—The City Health Department said today that a student nurse was the city's second polio victim this year.

Dr. Eugene Gillis said the nurse, since recovered, is Joanne Beatty, 22, of Riviera Beach, Md. She works at the Wilmington (Del.) General Hospital and was stricken in August while taking special training at Philadelphia General Hospital.

border. There were no motels, few gas stations or even towns. The countryside is very hilly and arid.

"Madrid is much more modern apartments being built. There than we had anticipated with blocks and blocks of modern are lovely parks everywhere and beautiful fountains. Seville, by contrast, appears very antiquated with her narrow streets and old world atmosphere. Here we attended the famous bullfights during the annual Seville Festivals.

"Spain today is quite isolated and under a strict dictatorship. The people are extremely anxious to learn of the outside world since all news is censored. PAY IS SMALL

"Life is very hard for the people. The so called middle class survive by working at not one but two or three different jobs to earn \$1.50 to \$2 per day. One pound of meat may cost 80 or 90 cents so they can't afford it very often. The laboring man just manages to exist.

"The upper class leads a different life. They breakfast at about 10 a.m. on coffee and hard rolls. A full course meal is served around 3 or 4 o'clock in the afternoon, after which they rest or have a 'siesta.' About 6 p.m. they visit friends at sidewalk cafes and enjoy wine and tidbits of sea food, etc. The streets teem with people at this hour. About 10 p.m. they eat dinner and then they may go to the theater or dance from 11 p.m. to 3 o'clock in the morning."

The banquet was in charge of the International Good Will and Understanding Committee. Mrs. Frederic Griest acted as toastmistress and the invocation was given by Mrs. Elizabeth Hennig. Mrs. George F. Eberhart was song leader, assisted by Mrs. Samuel Higginbotham at the piano. Others who served on the committee were Mrs. Edith Ditchburn and Miss Evelyn Altoff.

Members brought with them many objects from foreign countries which were placed on display.

Girl
Scout
News

On Monday, Intermediate Girl Scout Troop 55 met at the Methodist Church. The girls hiked to Spangler's Springs for a picnic supper. Mrs. James Slaybaugh, Mrs. Willis Weikert and Irene Glenn accompanied them. Mrs. Glenn Harner and Mrs. Archie Strickland served the picnic supper.

Brownie Troop 71 met Monday afternoon at the St. James Lutheran Church. Orders were taken for Girl Scout calendars and signs were made by three of the girls to display at the bake sale to be held Saturday, October 22, beginning at 7 a.m., in front of the Gettysburg Motor Club, Lincoln Square. Each of the other girls made posters for store window display. Mrs. Paul Reaser led the girls in singing and taught some new songs. The girls were reminded that there will be no meeting next week since there is no school. Leaders present were Mrs. Leo Kuhn Jr., Mrs. Orville Orner and Mrs. M. I. Bergdale.

Senior Girl Scout Troop 42 met Tuesday evening at the Girl Scout office in the First National Bank building with Vice President Linda Bream in charge. The treasurer reported a balance of \$11.29. It was also decided to pay dues of 20 cents every two weeks. Mrs. Ralph Bream was directed to purchase 26 Girl Scout calendars. The group decided to go on a hay ride November 5 from 7 to 10:30 p.m. and Kay Newman was appointed as the representative for Youth Appreciation Week. Leaders for the evening were Mrs. Ralph Bream and Mrs. Robert Moose.

BABE SUFFOCATES

LEBANON, Pa. (AP)—A baby suffocated in a plastic crib sheet at his home near here Tuesday. The victim was David G. Hummel, 3-month-old son of Mr. and Mrs. William Hummel of Lebanon R. 3. The parents were at work and had left the infant with a sitter.

JAIL TWO AFTER

(Continued From Page 1)
Menges lost the car ahead when it reached Gettysburg but had gotten close enough to determine the license number.

State police teletype was used to send the number to Harrisburg to determine ownership of the car. Menges checked the name he received, John Reese, and then began a search of the town.

He found the car parked on W. Middle St., entered a home there, and found that John and Robert Reese had gone to the home, and fallen asleep on chairs.

BOTH WERE DRINKING

When he woke them they told him they had been driving out W. Middle St. Robert had failed to negotiate the curve and his car was demolished against the pole. Robert suffered some cuts and abrasions, but when he saw police approaching entered John Reese's car and the two sped off wishing to avoid police at the moment. They told Officer Menges they had been drinking.

The two were taken before Justice of the Peace Robert P. Snyder where charges of leaving the scene of an accident and reckless driving were filed against both. Robert was charged also with driving without an operator's license.

In default of bail the two were removed at 6:45 o'clock to the county jail.

Damage to Robert Reese's 1950 coupe, which was demolished, was estimated at \$100.

Will Seize More
Pinball Machines

HARRISBURG (AP)—Atty. Gen. Anne X. Alpern said Tuesday state police will be asked to seize converted multiple-coin pinball machines as soon as she receives a copy of a U. S. Supreme Court decision upholding her position.

Miss Alpern's original order declaring these machines illegal even when converted into single coin operation was the subject of the high court ruling.

She had issued the ruling several months ago after state courts decided in a long-fought legal battle that multiple-coin machines were illegal gambling devices.

Couple Observes
Golden Wedding

Mr. and Mrs. Ambrose J. Klunk, Hanover R. 3, celebrated their golden wedding anniversary at a Mass in St. Joseph's Catholic Church, Hanover, Saturday morning celebrated by the pastor, Rt. Rev. Msgr. Charles E. Park. The couple were married October 5, 1910.

Mr. Klunk, a native of Bonneauville, is a son of the late Henry and Mary Schmidt Klunk, and his wife, the former Clara Frances Baugher, a native of Hanover, is a daughter of the late William E. and Annie E. Sleeder Baugher. The couple have three sons, Capt. Richard S. Klunk, USN, retired, Hanover R. 3; Lt. Col. Mark C. Klunk, U. S. Army, professor of military science and tactics at Washington and Jefferson College, Washington, Pa., and Robert J. Klunk, York. They also have 13 grandchildren.

Mr. and Mrs. Klunk, who received the apostolic benediction conferred by Pope John through the apostolic delegate, Cardinal Vagnozzi, Washington, D. C., were guests at a surprise party last week tendered by Mr. and Mrs. Albert Klunk, Mr. Klunk's brother and sister-in-law, who served as their wedding attendants.

Guest Speaker At
Idaville Church

Alfred Florez, a native of Peru, will speak Sunday morning at 10:30 o'clock at the Idaville United Brethren Church.

Florez is a former Roman Catholic priest but in 1951 became affiliated with Christ's Mission at Sea Cliff, N. Y., as a Protestant minister. In 1950 he served as assistant pastor in Brentwood, Long Island.

HELP GOP TICKET

PHILADELPHIA (AP)—Pretty girls, armed with nickels, set out today from local Nixon-Lodge headquarters in quest of votes for the Republican ticket.

The girls' job is to put nickels in parking meters on which time is about to expire, then place a card on the windshield of the car telling the motorist how he was saved from a \$3 parking ticket.

RICHTER TOPS
MAC IN PASS
RECEPTIONS

The football teams of Lehigh and Lafayette, currently sharing the lead in the Middle Atlantic Conference's university division, are prominently represented in individual statistics compiled at the end of the third week of the season.

Lafayette's Charlie Bartos has jumped to a commanding lead in individual rushing with 251 yards on 53 carries. Second in line is Al Richmond of Lehigh, credited with 114 yards on 33 carries. Both backs have averages of more than four yards a carry. Bartos' ground-gaining feat has also given him the edge in total offense.

Lafayette quarterback Mike Dill completed six passes in defeating Delaware last weekend to bring his two-game total to 13, highest in the division. Gettysburg's Earl Little is second with 11 completions.

11 RECEPTIONS

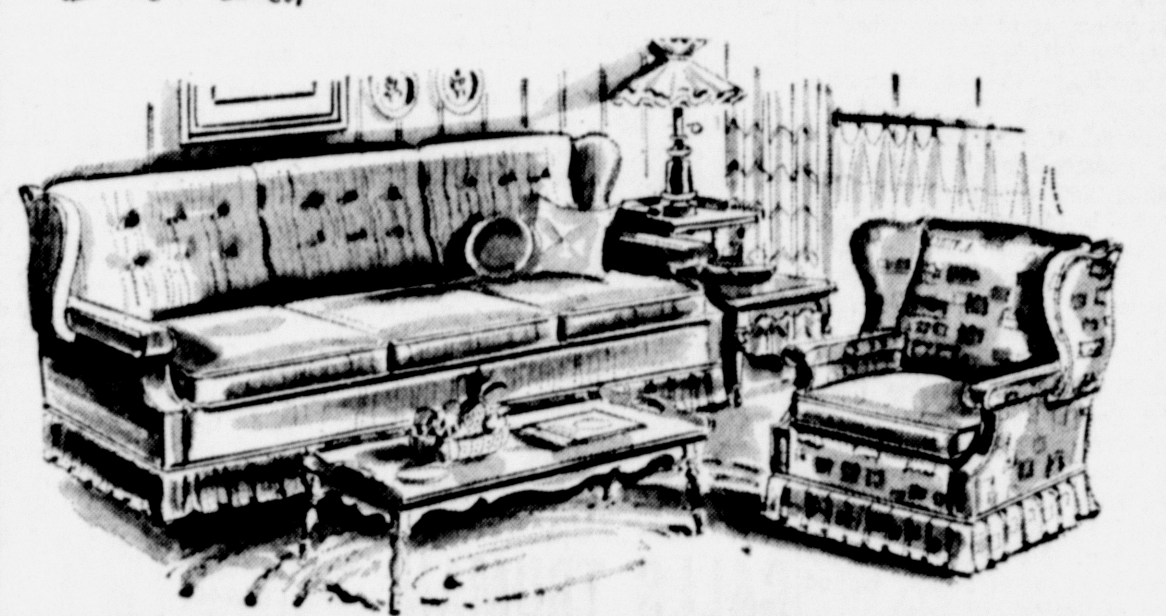

The division's top pass receiver at this point is Gettysburg's Harry Richter, who has collected 11 aeriels in two games for 142 yards and one touchdown. Lehigh's Jim Needham is second with five catches.

Delaware's Pape Lukk holds an edge in the punting department. The Estonia native has boomed 12 punts for a total of 488 yards, an average of 40.7 yards a kick. Don Carpenter of Gettysburg has a 39.5 average and Walt Dolschall of Lafayette has a 38.7 mark.

Boyd Taylor, hard-driving Lehigh fullback, has scored four TD's in his two conference appearances to claim the division scoring lead, while teammate Jim Needham, owner of a pair of touchdowns, is second. Earl Little is third with 10 points.

PHILADELPHIA (AP)—(USDA)—Delmarva poultry market: Live prices averaged approximately 1/2 cent higher. Offerings in good balance with current demand. Movement and inquiry for ready to cook light due to holiday. Boilers and fryers 2 1/2 lbs and over, mostly 3 1/2 lbs and over, 16-16.8.

they had collected an additional
\$22 towards their goal of \$1,000
to pay for the most extensive and
beautiful street trimmings ever
placed in Gettysburg for the holi-
day season.Today's decision brings the
total amount of money received
towards the fund to \$726. This
means that \$274 remains to be
collected if the committee is to
install the system of street de-
corating they have tentatively
agreed upon. Part of the de-
corations have been contracted for
and on Monday evening the com-
mittee will determine just how
far they can go depending upon
the amount of money they receive.Negra Is Fired From Camp

Today's Talk

WRAPPINGS

I have long been interested in
the way that a big store or a
popular manufacturer attracts
his clients, especially his home
folks.For years I read the brief essay
in the John Wanamaker ads.
They gave personality to the
pages on which they appeared.
There was the "personal touch"
to each one and every reader of
that page began to look especially
for that corner space.You can't be too personal when
you talk to those who want to do
business with you but who get
puzzled as to the proper way in
which to get started. One way
to start for the one who sells is
to send out attractively wrapped
packages of the purchases—and
if one can tack into that package
a personal note so much the
better.People like to be given personal
attention. That silent talk you
give to the person who has
started to do business with you
may be one of those rare mo-
ments when seller and buyer meet
for the first time. Happily, you
take that beautifully wrapped
purchase and dream all the way
back to your home!The paper wrappings with
which book sellers tie up each
newly purchased book are a good
investment. And the more color-
ful the better!Tomorrow Mr. Adams will talk
on the subject: "Learn to Write"

REPUBLICAN-DEMOCRAT

By ARTHUR EDSON — Vice
President Richard M. Nixon is
back in his home territory today,
confident he now has an issue that
will help push him into the White
House.Nixon will spend 3 1/2 days in
his native California, and it's al-
most certain that in each speech
he will insist he is right — and
Sen. John F. Kennedy, his Dem-
ocratic foe, is wrong — about pol-
icy for Quemoy and Matsui.Thursday comes the third round
of the big television debate be-
tween Nixon and Kennedy.Nixon has gone halfway around
the world to latch onto his issue,
two tiny islands, off the coast of
China. He is sure to hammer
away at this two-point theme:
DEFEND ISLANDS1. That Quemoy and Matsui
should be defended.
2. That Kennedy is wrong — and
engaging in "naive and woolly"
thinking that could lead to war—
when he says the defense line
should be pulled back to the sea
between Formosa and the China
mainland.Possibly the best clue to Nixon's
thinking came in his reply to Ken-
nedy's suggestion for a fifth televi-
sion debate.Why not set back the debate on
foreign policy, now booked for
Oct. 21, a few days and expand it
to two hours?Herbert G. Klein, Nixon's press
secretary, said Tuesday night the
campaign seems to be settling
down to international issues, and
two hours would provide plenty of
time to explore them. Klein
smiled when he said it.

ANOTHER PROPOSAL

EXPANSION OF

BIG LEAGUES

SEEMS NEARER

By JOE REICHLER
PITTSBURGH (AP)—The Na-
tional League has taken the first
concrete step toward expansion by
virtually assuring Houston of a
franchise for 1962.The American League is ex-
pected to keep pace with its older
rival by granting a franchise to
Dallas-Ft. Worth.Formal action on the Houston
application headed by Craig Cul-
linan and George Kirksey, is
scheduled for next Monday in Chi-
cago. The American League has
set no definite meeting date, but
undoubtedly will convene soon.Kennedy said his party has ben-
efited business by such things as
creating the federal reserve sys-
tem as the basis of the nation's
currency and banking system, by
controlling securities speculation,
and by raising purchasing power
of farmers and workers.

FOR ALL AMERICANS

He assured the association that,
while as president he would not
conduct a businessmen's adminis-
tration, "neither will it be a labor
administration or a farmers' ad-
ministration.""It will be an administration
representing, and seeking to
serve, all Americans," he said.The Massachusetts senator
scheduled a busy program in the
metropolitan area today, with a
dozen appearances at a wide
range of events.

3RD N.Y. SWING

This was Kennedy's third swing
into New York with its big prize
of 45 electoral votes. His tentative
schedule calls for three more
visits.A pattern of heavy concentra-
tion on the big industrial states
of the Northeast is clearly emerg-
ing in the senator's campaign.He already has been in Ohio
four times and will go back there
twice more. Other states to get
much attention are Pennsylvania,
Michigan and Illinois.PITTSBURGH (AP)—Thousands
of screaming, banner-waving, feet-
stomping men, women and chil-
dren spread out the welcome mat
Monday night for Sen. John F.
Kennedy, Democratic presidential
hopeful.The Massachusetts Senator was
greeted by blaring bugles, beat-
ing drums and roaring throngs as
he spoke to two outdoor rallies
and an indoor gathering—all
within four hours.A crowd, estimated by police
as above 5,000, jammed into the
3,800-seat auditorium of the Syria
Mosque in the city's Oakland sec-
tion to hear Kennedy.Bedlam broke loose when he ap-
peared. A small band began play-
ing.Almost everyone in the crowd
sang along as the band played.
The senator was given a five-
minute standing ovation.Kennedy had arrived in Pitts-
burgh about 2 1/2 hours behind
schedule.As he arrived at the Hotel Hil-
ton in the heart of downtown
Pittsburgh, he was greeted by a
crowd estimated by police at near-
ly 10,000.Circulating through the throng
were about 150 "Kennedy Girls"
waving banners and passing out
Kennedy buttons. Loud applause
and cheering interrupted the se-
nator several times as he spoke.Kennedy also received a thun-
derous welcome at an outdoor ral-
ly in the Hill District, Pitts-
burgh's largest Negro area. A
throng, estimated at about 8,000,
jammed around a police station to
hear Kennedy speak. He was in-
terrupted three times by applause
during his five-minute talk.The American League camp is
split. One faction, headed by Hank
Greenberg of Chicago, is stump-
ing for a West Coast franchise
and is even considering San Diego
as a possibility. The other group,
headed by Nate Dolan of Clevel-
and Tom Yawkey of Boston,
would prefer to give first con-
sideration to Minneapolis-St. Paul.The American Leaguers are
trying to conceal their chagrin in
losing a chance for a monopoly
in the virgin Texas territory such
as the National has in California.
It was the AL's hope to lasso
Houston and Dallas-Ft. Worth,
thereby creating a natural rival-
ry. But following the NL's quick
action, a spokesman said: "We
prefer Dallas-Ft. Worth over
Houston."The major obstacle confronting
all applicants for big league fran-
chises is a stadium. Both Texas
cities have approved bond issues

TWENTY-FIVE YEARS AGO

22 Countians At State S. S. 74th Meeting: Twenty-two delegates from Adams county attended the seventy-fourth annual convention of the Pennsylvania State Sabbath School association which was held in Lewistown this week. The convention sessions closed today.

C. C. Culp, of Gettysburg, was re-elected a vice president of the State Sabbath School association and New Castle was selected as the 1958 convention city.

\$22 Is Added To Christmas Street Decorating Fund: Members of the Christmas street decorating committee reported to C. A. Bixler, chairman, today that they had collected an additional \$22 towards their goal of \$1,000 to pay for the most extensive and beautiful street trimmings ever placed in Gettysburg for the holiday season.

Today's decision brings the total amount of money received towards the fund to \$726. This means that \$274 remains to be collected if the committee is to install the system of street decorating they have tentatively agreed upon. Part of the decorations have been contracted for and on Monday evening the committee will determine just how far they can go, depending upon the amount of money they receive.

Negro Is Fired From Camp No. 1: Abraham Wright, 20, colored enrollee at C.C.C. Camp No. 1, was arrested Thursday evening by state police on a charge of stealing a wallet containing \$10 from the pocket of a coat belonging to Lester Wherley, Gettysburg R. 3.

According to state police, Wherley had the purse in the pocket of a coat in a car near the intersection of Confederate avenue and the Fairfield road. Wright is alleged to have gone to the machine while working with a group of enrollees under Wherley, a foreman, and to have taken the wallet.

York Elks Are Coming Here: York Lodge No. 213, Benevolent and Protective Order of Elks, will bring 100 members to Gettysburg Sunday noon on the route of a good will tour to Elks lodges throughout this district. It is announced by Scott Smith, exalted ruler of Gettysburg lodge.

Rally Day At Trinity Sunday: The annual fall rally and celebration of the Holy Communion will be held at Trinity Evangelical-Reformed church, Sunday. The rally will begin with the service preparatory to the Holy Communion this evening at 7:30 o'clock.

Holy Communion will be celebrated at 8 a.m. and 10:45 a.m. Sunday. The children of the Hoffman Orphanage, Littlestown, will be present and receive the sacrament. The Rev. H. S. Fox, the pastor, will be assisted by the Rev. A. P. Frantz, superintendent of the orphanage.

\$345,275 For County Roads Is Announced: New Allocation Includes \$39,275 Grant From State; Balance From WPA: Adams county will receive \$39,275 from the State of Pennsylvania and \$306,000 from the federal government for the WPA farm-to-market highway program, the state department of highways announced today.

The state allocations are from the money provided by the Park-inson act of 1933, which was amended by the 1935 legislature to permit use of the money by township supervisors for construction as well as maintenance of rural road work in Pennsylvania by the works progress administration.

Today's Talk

WRAPPINGS

I have long been interested in the way that a big store or a popular manufacturer attracts his clients, especially his home folks.

For years I read the brief essay in the John Wanamaker ads. They gave personality to the pages on which they appeared. There was the "personal touch" to each one and every reader of that page began to look especially for that corner space.

You can't be too personal when you talk to those who want to do business with you but who get puzzled as to the proper way in which to get started. One way to start for the one who sells is to send out attractively wrapped packages of the purchases—and if one can tuck into that package a personal note so much the better.

People like to be given personal attention. That silent talk you give to the person who has started to do business with you may be one of those rare moments when seller and buyer meet for the first time. Happily, you take that beautifully wrapped package and dream all the way back to your home!

The paper wrappings with which book sellers tie up each newly purchased book are a good investment. And the more colorful the better!

Tomorrow Mr. Adams will talk on the subject: "Learn to Write"

THE GOOD MAN

That man is good who plods his way,
Content to do his little task,
Who seeks his home at close of day

And in its shade is glad to bask.
If round him children romp in glee,
And near him smiles a patient wife

A greater man he need not be,
He has the sweetest joys of life.
If honor's way he's glad to tread,
If he has done the best he could,
Always he can earn his daily bread

Though missed by fame, that man is good.

Girl Gives \$1,018 To St. Jude Hospital

MEMPHIS, Tenn. (AP)—Comedian Danny Thomas says the top contribution to the \$2.4-million children's hospital here came from a girl who has been an invalid all of her life.

Ann Hall, 15, of Ashland, Miss., donated \$1,018—of which she had made selling lemonade during two summers—to construction of St. Jude's Hospital.

Ann was born with amyotonia, a rare disease that leaves its victims with almost complete lack of muscular control. She is confined to a wheelchair.

St. Jude's, the dream of television star Thomas since his pre-success days, will specialize in the treatment of leukemia, the blood disease which is nearly always fatal.

CALLS TRUMAN TALK "FOUL"

WASHINGTON (AP)—Sen. Hugh Scott, (R-Pa.) said Tuesday that former president Harry Truman's "threats to farmers is the latest attempt by campaigners for Sen. (John F.) Kennedy to make the foulest, lowest presidential campaign in recent history."

"In my 18 years in national public life," Scott added in a statement, "I can never remember a presidential campaign where voters were told to 'Go to Hell' or where farmers were warned that 'They ought to lose everything' as Truman said Monday night in San Antonio."

Scott accused the Pennsylvania chairman of the Senior Citizens for Kennedy of saying, "If a Democrat told the lies Nixon did during his speeches last week in Wilkes-Barre, Pa., he would be lynched."

Scott said, "This is mudslinging of the lowest order and the Democratic presidential nominee is not lifting a finger to repudiate any of it."

Scott did not name the Pennsylvania chairman of the Senior Citizens for Kennedy.

ANNIVERSARY WILL BE HELD BY AUXILIARY

The ninth anniversary banquet of the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226, will be held for members and their guests on Sunday, October 23, at 6:30 p.m. at Slug's Roost, Camp Hill. The date was incorrectly announced previously for November 23.

Mrs. Ruth Crouse, Mrs. Rita Hoke and Mrs. Mabel Rittase represented the Eagles Auxiliary at the state-wide conference of the membership department, Pennsylvania FOE, over the weekend in Altoona. They also attended the banquet on Saturday evening with 122 representatives from 42 units.

Twenty-five Brownies attended the first dance of the season held on Monday evening in the social room of the Eagles Home. There was dancing to recorded music and refreshments were served through the courtesy of the FOE. Brownie leaders in attendance were Mrs. Paul C. Mayers, Mrs. John A. Sentz and Mrs. John D. Basehoar. The Brownies will have a dance on Monday, November 14, from 6:30 to 8 p.m.

TO VISIT SHUT-IN

The Starr Bible Class of St. Paul's Lutheran Church will conduct Sunday School at the home of shut-in member, Miss Lillian Dutterer, S. Queen St., on October 23 at 9:15 a.m. instead of October 16 as previously planned.

The regular meeting date of the Starr Bible Class has been advanced from October 27 due to Halloween to Thursday, October 20, at 7:30 p.m. at the church. Members are asked to attend in Halloween costume or a small fine will be charged.

Stephen Andrew Wareheim, son of Robert Byers and Martha Scott Wareheim, Topeka, Kan., was baptized on Sunday following the worship service in St. Paul's Lutheran Church by the pastor, the Rev. Lawrence H. Roller. The parents were the baptismal sponsors. The child was born July 18, 1959, in Topeka. Stephen Andrew is the grandson of Mr. and Mrs. Maurice C. Wareheim, Park Ave. Ocker-Snyder Post No. 321, American Legion, will hold its semi-monthly session on Thursday at 8 p.m. at the post home, E. King St. The evening's social committee comprises Carroll E. Arter and Donald L. Bedford.

VFW WOMEN TO MEET

A plant sale will be held in conjunction with the monthly meeting of the Ladies' Auxiliary of Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, Thursday evening at 8 o'clock at the post home, W. King St. The hostesses will be Mrs. Ruth Crouse, Mrs. Florence Sheely and Mrs. Estella Pottoff.

Prayer meeting will be held in the Bethel Assembly of God Church along the Fish and Game Rd. at 7:30 p.m. on Thursday.

Thirty members of the Junior High Luther League of St. Paul's Church enjoyed a tour of the Lutheran Theological Seminary, Gettysburg, on Sunday under the guidance of Seminarian Jack Seibert. The group toured the dormitory, church, library and dining room. They then went to the church where devotions were conducted by the Rev. Lawrence H. Roller, pastor. The regular meeting will be held on Sunday at 6:30 p.m. at the church.

BANKS CLOSED

The Littlestown National Bank and the Littlestown State Bank are closed all day today in observance of Columbus Day.

Girl Scout Troop 45 will conduct a sandwich sale in the community on Saturday morning, October 29.

Mrs. Clair A. Beamer, proprietor of Mary's Beauty Salon, Prince St., accompanied by Mrs. Stewart Bankert, Hanover, recently attended the Educational Trade School, sponsored by Emerson Beauty Supply Company at the Yorktowne Hotel, York.

Five couples will appear on the Arthur Murray dance party, the first portion of the program for the Lions Club sponsored TV Party Time on Thursday at 7:30 p.m. in the Littlestown High School auditorium. The dancers will be Charles and Rebe Etta Weikert.

EXPANSION OF BIG LEAGUES SEEMS NEARER

By JOE REICHLER
PITTSBURGH (AP)—The National League has taken the first concrete step toward expansion by virtually assuring Houston of a franchise for 1962.

The American League is expected to keep pace with its older rival by granting a franchise to Dallas-Ft. Worth.

Formal action on the Houston application headed by Craig Culinan and George Kirksey, is scheduled for next Monday in Chicago. The American League has set no definite meeting date, but undoubtedly will convene soon.

OTHER APPLICATIONS

Warren Giles, president of the National League, said action also will be taken on applications by New York, and "other cities." He declined to identify the cities. New York, represented by Dwight (Pete) Davis Jr.'s Continental League group, made its formal application 10 days ago.

"We're going to do something definitive at our meeting in Chicago," said Giles. "We've delayed long enough. We want to make progress. We're not going to drag our feet any longer. I don't know whether we will approve one or two cities, but I believe Houston will get the necessary majority (six votes) if they've made the progress they've indicated."

AL TASK DIFFICULT

With their ninth teams virtually accounted for, the two majors were looking at opposite ends of the country for their 10th teams—the National seeking a return to New York, and the American hoping to move into Los Angeles.

Each league committed itself at an August meeting, agreeing to add two teams as a compromise measure that dissolved the Continental League.

Of the two, the American appears to be facing the more difficult task.

WANT LUSH AREA

A majority of American League club owners, feeling they have been steadily losing prestige because of the National's absorption of the more attractive territories, insist they must have a share of the lush Los Angeles area. They face a major obstacle in Walter O'Malley, head of the Dodgers.

O'Malley has stated his opposition to an American League invasion of Los Angeles, at least until Chavez Ravine, his dream stadium, is completed. Construction plans, continually stymied and revised, now call for completion in 1962 at the earliest.

CHAGRIN SHOWING

The American League camp is split. One faction, headed by Hank Greenberg of Chicago, is stumping for a West Coast franchise and is even considering San Diego as a possibility. The other group, headed by Nate Dolan of Cleveland and Tom Yawkey of Boston, would prefer to give first consideration to Minneapolis-St. Paul.

The American Leaguers are trying to conceal their chagrin in losing a chance for a monopoly in the virgin Texas territory such as the National has in California.

It was the AL's hope to lasso Houston and Dallas-Ft. Worth, thereby creating a natural rivalry. But following the NL's quick action, a spokesman said: "We prefer Dallas-Ft. Worth over Houston."

The major obstacle confronting all applicants for big league franchises is a stadium. Both Texas cities have approved bond issues

Abel, Goodling Win Oval Titles

Final point standings for the Lincoln Speedway stock car campaign announced today by Hilley Rife, promoter, show that Bobby Abel compiled 1,290 points in capturing the 1960 Sportsman-Modified championship.

Roger Sowers, Class A titlist in 1959, came in second with 1,205 points, followed by Bobby Hersh, 1,185; Bud Folkenroth, 910; Gene Goodling, 880; Dizzy Dean, 845; Pee Wee Pobletts, 735; Ronnie Cranston, 695; Jim Findley, 595, and Ray Kable, 590.

Folkenroth toiled No. 50, a Ford flathead, for George Poist, New Oxford, while Goodling was behind the wheel in No. 77, a modified flathead Ford, for Ken Applier, Gettysburg R. 5. Folkenroth failed to win a feature this season but was generally up among the leaders. Goodling topped the main event in Lincoln's season opener June 4.

Sowers led S-M drivers in the number of feature wins with four. Hersh and Abel had three apiece. Pee Wee Pobletts two.

Bobby Goodling's title winning total in strictly stock was 1,395 as the Stoverston star took the last three feature races of the season. Others in the top 10 were: Johnny Laughman, 1,273; Jake Beard, 1,205; Willie Musselman, 1,100; Sam Krout, 990; Bobby Heflin, 935; Edgar Boerner, 785; Paul Thomas, 765; Charley Wierman, 718, and Elmer Delinger, 655. Bill Kershner, the '59 champ, finished 20th.

Goodling and Musselman tied for the most feature victories with four.

Heflin, a Gettysburg lad, had one feature win to his credit, grabbing the checkered flag in the July 9 windup.

Pittsburgh Can Wrap Up Series Today; Desperate Yanks Face Bob Friend

By JACK HAND
Associated Press Sports Writer
PITTSBURGH (AP) — Pittsburgh can wrap up its first world championship since 1925 today by beating the desperate New York Yankees in the sixth World Series game at spacious Forbes Field.

Bob Friend, winner of 18 games in the regular season but a loser to the Yankees in the second game, was Manager Danny Murtaugh's choice to complete the gallant comeback by the fighting Bucs. Everybody on the staff, except Vern Law, was available for bullpen duty.

Casey Stengel leaned toward Whitey Ford, his experienced lefty, to bail out the Yanks in their backs-to-the-wall situation. Ford pitched a shutout Saturday. Bob Turley, well rested since whipping the Pirates last Thursday, also was primed for duty, along with the rest of the staff.

SUBJECT TO CHANGE

Stengel's lineup was subject to last-minute changes. He was expected to play Yogi Berra in left field, Clete Boyer on third base and Elston Howard as catcher. If Stengel used Ford, Murtaugh would shift from catcher Smokey Burgess to Hal Smith.

Fair, warm weather was on tap, with the temperature due to hit 75 by the time the crowd of 37,000 had settled down in the ancient ball park.

The Pirates were favored at 4-1 to win the series, although the Yankees were picked at 6-5 for today's game.

LAW FOR 7TH GAME

If the Yankees square the series, the seventh game will be played in the same park Thursday afternoon with Law pitching for the Pirates and rookie Bill Stafford the likely starter for the Yanks.

Mickey Mantle, who needed only one more home to match Babe Ruth's all-time series record of 15, was hobbled by a recurrence of the groin injury he suffered in late season. Mantle took a few cuts Tuesday when the club worked out after the Pirates' drill but did no running.

The Yankees appeared grimly determined to get back into this series with big money riding on every pitch.

"WE'RE PRETTY GOOD TOO"

"My men are not dead," said Stengel. "We may not talk too much but we're pretty good too. We've been going at a pretty good speed for a month—until the last two games. I hope we're a little alive for you."

IOWA BACKS SPARK TEAM TO SECOND PLACE

Associated Press Sports Writer
IOWA CITY, Iowa. (AP) — A young band of backfield opportunists has turned the Iowa Hawkeyes into one of the leading college football teams in the nation this fall.

This group, whose trade mark is the swift — out-of-the-blue — touchdown strike, has erupted into the No. 2 team in this week's Associated Press poll.

The Hawkeyes' explosive striking power has carried them undefeated through three games.

How do these opportunists operate? Here's an example:

Trailing 15-14 late in the game last Saturday and Michigan State threatening to score, Iowa suddenly came up with two touchdowns in less than three minutes and a 27-15 victory.

WILLIAMS STEALS BALLS

Sophomore fullback Joe Williams ignited the rally by grabbing the ball from MSU quarterback Tom Wilson and dashing 67 yards to score. Within minutes junior Bernie Wyatt had intercepted a Spartan pass and junior quarterback Wilburn Hollis had sprinted 23 yards for another touchdown.

Was Williams' timely theft luck? Perhaps, but as Williams explains it the feat was typical of the Hawkeyes' brash defense.

"Wyatt gave the switch signal just before the play began," Williams says. "When he does that I'm supposed to shoot in and go for the quarterback."

"That's right," agrees Asst. Coach Jerry Burns. "Williams was exactly where he was supposed to be at the right moment. It was probably luck that Wilson bobbled the ball but Williams was there and knew what to do when it happened."

PHILADELPHIA (AP) — Coach John Stiegman predicts his Penn football team, which was shut out in its last two Ivy League losses to Dartmouth and Princeton will score against Brown at Franklin Field Saturday.

The Quakers, meanwhile, Tuesday practiced pass defense in preparation for Brown and Jack Rohrbach who has completed 24 passes for nearly 300 yards.

DEWITT'S JOB WITH TIGERS STILL IN DOUBT

By JERRY GREEN

DETROIT (AP) — President Bill Dewitt's future with the Detroit Tigers — bleak for a week amid reports he'd be fired — remained in doubt today following sale of the club's controlling interest to a strong-thinking radio executive.

Whatever action is taken on the heavily criticized Tiger president of one year has been delayed by the surprise transaction that gave John E. Fetzer command of the Detroit Baseball Co. Fetzer, already the principal owner, said he was buying additional stock from a group led by Kenyon Brown of Los Angeles.

WAS PREDICTED

The discharge of Dewitt was widely predicted. It was expected the remaining two years of his contract would have been bought up with Tiger owners paying about \$100,000 for the release.

But Dewitt may remain as general manager.

"We'll have to decide about a general manager when we come to it," said Fetzer after he announced the deal that will give him two-thirds of the Tiger stock.

VERY CRITICAL

Fetzer, along with radio executive Fred Knorr, whose group retains one-third interest, have been critical of Dewitt's rule. They voiced their displeasure after Joe Gordon quit Oct. 3 as manager despite a 1961 contract.

Dewitt also was in disfavor with many owners because the Tigers finished sixth in the American League, lowest since 1953. Fetzer, 59-year-old Kalamazoo, Mich., radio mogul, was one of the original purchasers of the club when it was bought from the estate of Walter O. Briggs for \$5.5 million in 1956. There have been three club presidents since and Fetzer will be the fourth.

British Champ

Beat Giardello

LONDON (AP) — British middleweight champion Terry Downes stormed into the world's top 10 Tuesday night with an overwhelming decision over ranking American Joey Giardello. He immediately challenged Paul Pender or Gene Fullmer to a world title fight.

Downes, 24-year-old former U.S. Marine who went to the United States to learn how to fight as an amateur, mixed his natural brawling ability with a kind of boxing skill he has never displayed before to defeat 30-year-old Giardello from Philadelphia. Giardello was rated No. 1 challenger for the disputed world title.

Downes weighed 160½, Giardello to 160½.

Syracuse Fades

From Spotlight

NEW YORK (AP) — For the first time in a full year defending champion Syracuse hasn't a single first place in any of the various national college football offensive departments.

The Orange men swept three of the four principal offensive titles last year, but figures released today by the National Collegiate Athletic Bureau show the best it has been able to do to date this season is a fourth place in rushing.

Unheralded Utah State took over as the No. 1 ground gainer last Saturday, rushing 501 yards against Idaho as Syracuse was restricted to 195 yards on the ground by Holy Cross.

In the total offense department, New Mexico State leads with an average of 422.5 yards per game.

BENT EUROPEAN TROTTER

YONKERS, N. Y. (AP) — For the first time an American trotter has beaten the best of European trotters at 1½ miles.

It happened in the \$64,300 Gotham Trot at Yonkers Raceway Tuesday night. Su Mac Lad, driven by Stanley Dancer, won by 3 lengths after Holland's Hairois 2nd, the 1960 European champion, and France's Jamin, Europe's 1959 champ, both broke stride and finished out of the money.

Su Mac Lad led all the way in 3:11.

TULSA, Okla. (AP) — Clarence Iba, head basketball coach the past 11 years at the University of Tulsa, resigned Tuesday to accept a position as sales manager for a Fort Worth, Tex., firm.

SYRACUSE AND PENN STATE IN TOP EAST GAME

By WILL GRIMSLEY
Associated Press Sports Writer

UNIVERSITY PARK, Pa. (AP) — Has success spoiled Syracuse's national champion football team?

Quite possibly, says Penn State's No. 1 spy, but don't count too heavily on the condition lasting. "I wouldn't be surprised to see Syracuse snap back at us this week," Frank Patrick, assistant Penn State coach in charge of Syracuse's innermost secrets, said today.

VERY STRONG

"This Syracuse team is as strong and has as fine material as last year. They've just been less inspired and more careless. They've made mistakes. I think complacency set in, but they can explode any time they make up their mind to it."

The uncomfortable feeling of sitting on a time bomb prevades this picturesque university community where once-beaten Penn State is preparing for its big game Saturday in Syracuse against the Orangemen, who have a 14 game winning streak.

"You must remember Syracuse has virtually the same personnel which swept through ten games last year and won in the Cotton Bowl," Patrick, aide to head coach Rip Engle, said.

DIFFERENT TEAM

"This year it has been a different team. They've fumbled more. They've dropped passes from the tips of their fingers which they held onto last season. They've played loose, almost arrogant football in their last two games. "But they can't help remembering that we gave them a tough battle before losing last year (20-14) and they won't be taking us lightly."

Syracuse barely beat Kansas 14-7 and looked unimpressive in downing lightly-regarded Holy Cross 15-6 last week—performances which dropped them from No. 1 to No. 4 position in the Associated Press poll.

ENGLE IS BUOYED

Engle, buoyed by the 27-16 triumph over Army last Saturday at West Point, said he believed Syracuse could be beaten and added: "I hope we're the ones to do it." "I think a team like ours can beat any team if it can hit on a few clutch plays," Engle said.

Engle said he was encouraged by the play of his quarterbacks Galen Hall and Dick Hoak against Army.

Quebec Aces Drop

Reds To Basement

By THE ASSOCIATED PRESS

The Providence Reds nestled alone in the cellar of the American Hockey League today, dropped there through a defeat at the hands of the Quebec Aces.

The Aces had to go into overtime Tuesday night to do it. Center Jackie Leclair scored on a 15-foot shot at 6:15 of the extra period to give Quebec a 6-5 victory.

A major penalty tagged on Danny Poliziani was the downfall of the Reds. During his absence in the third period Quebec scored two goals to tie the score at 5-5 and send the game into overtime. There were only five minor penalties during the contest.

The unbeaten Springfield team is at Hershey for the only game scheduled tonight.

Snake Interrupts

SPARTANBURG, S. C. (AP) — Patrolman H. E. Plexico was giving a motorist directions when he heard a noise—like a leaking tire. Looking down at the motorist's tires, Plexico saw a copperhead snake near his feet, whipped out his revolver, shot the snake and then finished giving directions.

OLE MISS, IOWA SYRACUSE TO WIN BIG GAMES

By HAROLD CLAASSEN
Associated Press Sports Writer

NEW YORK (AP)—In fourteen hundred ninety-two, Columbus sailed the ocean blue.

He landed 468 years ago today amidst great confusion. Some of the confusion still exists but it is concentrated primarily among football forecasters. So great was the confusion last week that 17 incorrect picks were scattered among 34 others that were exactly on the button. That cut the season's average to .730.

This week's selections:

GIBBS OUTSTANDING

Mississippi over Tulane: The Rebels' Jake Gibbs is an outstanding quarterback and has accounted for 533 yards, personally, in Mississippi's four straight triumphs this year. He's too much for Tulane to handle.

Iowa over Wisconsin: Two teams that have done better than expected but the Hawkeye speed will prevail.

Ohio State over Purdue: Bob Ferguson, the Ohio State fullback, is 217 pounds of pure dynamite. The Boilermakers present a leaky defense.

SYRACUSE TO WIN

Syracuse over Penn State: A Syracuse official called the defending national champions "fat and complacent" after their squeaker with Holy Cross. Penn State will pay the penalty.

Navy over Air Force: A personal duel between the Middies' Joe Bellino and the Falcons' Rich Mayo. Bellino will get the more help.

Missouri over Kansas State: With the greatest of ease.

OKLAHOMA TO LOSE AGAIN

Baylor over Texas Tech: by about two touchdowns.

Clemson over Maryland: The Carolina Tigers get revenge for the 28-25 setback of a year ago. It could go the other way.

Kansas over Oklahoma: Oklahoma has lost only one conference game in 13 years. The second loop defeat will be delivered Saturday with John Hadl and Bert Coan doing the heavy work.

OTHER GAMES

Elsewhere: Minnesota over Illinois; Texas over Arkansas; Washington over UCLA; Michigan State over Notre Dame; Tennessee over Alabama; Oregon State over Idaho; Arizona State over Brigham Young; Auburn over Georgia Tech.

3 CATCHERS SAY FACE NOT HARD TO CATCH

By TED SMITS
Associated Press Sports Editor

PITTSBURGH (AP) — Just because Elroy Face, the great Pittsburgh relief pitcher, confuses batters in the closing innings, most people think he must be hard to catch.

Not so, say the three Pittsburgh catchers.

"He's not hard to catch, but he's a lot more difficult to hit," says Smokey Burgess, the number one Pirate receiver.

"Not hard at all because he's around the plate all the time. He only throws strikes," says Bob Oldis.

"BREAKS TWO FEET"

"He's easy," says Hal Smith. Burgess explains Face's mastery this way:

"He has good control. When he misses it's just by inches. He has a great change of speed. "At times his fork ball breaks two feet. He throws the fork ball real hard but it doesn't go hard. It always breaks down."

Says Oldis:

"I've never had many of his pitches get away from me, although once in a while when his fork ball does move it moves down real good."

PHENOMENAL RECORD

"We never have much trouble with signals. Once and a while he shakes me off, and once in a while we both shake our heads just to make the batter worry."

"He's a small guy with a big heart and a strong arm. All he needs is five warm-up pitches and he's ready to go."

Says Smith:

"Some days his fork ball breaks a foot or more and some days it doesn't break much, but when that happens it comes in like a change-up. It's effective even if it isn't breaking. "Those Yankees didn't realize he could throw as hard as he does."

Face, who is 5-7½ and weighs 155, last year achieved the phenomenal record of 18 victories and 1 defeat in relief, and already in the current World Series has figured in all three Pirate victories.

HADL NAMED BACK OF WEEK

By THE ASSOCIATED PRESS

John Hadl, the University of Kansas' hard-working quarterback, today was named "back of the week" by the Associated Press for his outstanding role in the defeat of previously unbeaten Iowa State.

The 19-year-old, 191-pound junior, who gave Syracuse's national champions fits the week before with his punting, running and passing, ruined Iowa State with his versatility.

Hadl scored two touchdowns and passed for another in the 28-14 victory.

The Kansas ace was given a good run for the weekly honor by Joe Bellino of Navy, Roman Gabriel of North Carolina State, Ronnie Goodwin of Baylor, Keith Lincoln of Washington State, Tommy Wells of Georgia Tech and Jim Kerr of Penn State, among others.

KYLE ROTE IS

TOP RECEIVER

NEW YORK (AP) — Kyle Rote, a somewhat gimpy-kneed Texan, has a new lease on life—National Football League style.

"I've been in this game of football all my life," Coach Jim Lee Howell of the New York Giants said today. "and you just don't see the moves made by a pass receiver the way Kyle is doing them now."

"He really has been amazing. Study them in the game movies and your eyes pop."

The "eye-popping" Howell talks about comes as part of Rote's three-game performance that has sent defensive backfields in the NFL into a tizzy.

TOPS PASS CATCHERS

In those three games — road tests at San Francisco, St. Louis and Pittsburgh—Rote has maneuvered himself free enough to catch 19 passes for 287 yards and four touchdowns.

At 31, the former Southern Methodist halfback who switched to end when his troublesome knee gave in to constant pounding from opposing behemoths ranks first among all pass catchers.

This, although opponents still double-team him on most pass patterns.

Rote, now in his 10th NFL season with the Giants, says he is not running any particularly new patterns—"just learning the old ones after 10 years."

SYRACUSE AND PENN STATE IN TOP EAST GAME

By WILL GRIMSLEY

Associated Press Sports Writer UNIVERSITY PARK, Pa. (AP) — Has success spoiled Syracuse's national champion football team?

Quite possibly, says Penn State's No. 1 spy, but don't count too heavily on the condition lasting.

"I wouldn't be surprised to see Syracuse snap back at us this week," Frank Patrick, assistant Penn State coach in charge of Syracuse's innermost secrets, said today.

VERY STRONG

"This Syracuse team is as strong and has as fine material as last year. They've just been less inspired and more careless. They've made mistakes. I think complacency set in, but they can explode any time they make up their mind to it."

The uncomfortable feeling of sitting on a time bomb prevades this picturesque university community where once-beaten Penn State is preparing for its big game Saturday in Syracuse against the Orangemen, who have a 14 game winning streak.

"You must remember Syracuse has virtually the same personnel which swept through ten games last year and won in the Cotton Bowl," Patrick, aide to head coach Rip Engle, said.

DIFFERENT TEAM

"This year it has been a different team. They've fumbled more. They've dropped passes from the tips of their fingers which they held onto last season. They've played loose, almost arrogant football in their last two games. But they can't help remembering that we gave them a tough battle before losing last year (20-18) and they won't be taking us lightly."

Syracuse barely beat Kansas 14-7 and looked unimpressive in downing lightly-regarded Holy Cross 15-6 last week—performances which dropped them from No. 1 to No. 4 position in the Associated Press poll.

ENGLE IS BUOYED

Engle, buoyed by the 27-16 triumph over Army last Saturday at West Point, said he believed Syracuse could be beaten and added: "I hope we're the ones to do it."

"I think a team like ours can beat any team if it can hit on a few clutch plays," Engle said.

Engle said he was encouraged by the play of his quarterbacks Galen Hall and Dick Hoak against Army.

Quebec Aces Drop Reds To Basement

By THE ASSOCIATED PRESS

The Providence Reds nestled alone in the cellar of the American Hockey League today, dropped there through a defeat at the hands of the Quebec Aces.

The Aces had to go into overtime Tuesday night to do it. Center Jackie Leclair scored on a 15-foot shot at 6:15 of the extra period to give Quebec a 6-5 victory.

A major penalty tagged on Danny Poliziani was the downfall of the Reds. During his absence in the third period Quebec scored two goals to tie the score at 5-5 and send the game into overtime. There were only five minor penalties during the contest.

The unbeaten Springfield team is at Hershey for the only game scheduled tonight.

SNAKE INTERRUPTS

SPARTANBURG, S. C. (AP) — Patrolman H. E. Plexico was giving a motorist directions when he heard a noise—like a leaking tire. Looking down at the motorist's tires, Plexico saw a copperhead snake near his feet, whipped out his revolver, shot the snake and then finished giving directions.

"LEFT FOR DEAD"

NEW CANAAN, Conn. (AP) — A 1949 model car with California license plates was found abandoned Monday night on the Merritt Parkway with a note that said: "Please give it a decent burial." State troopers towed it to a garage.

HADL NAMED BACK OF WEEK

By THE ASSOCIATED PRESS

John Hadl, the University of Kansas' hard-working quarterback, today was named "back of the week" by the Associated Press for his outstanding role in the defeat of previously unbeaten Iowa State.

The 19-year-old, 191-pound junior, who gave Syracuse's national champions fits the week before with his punting, running and passing, ruined Iowa State with his versatility.

Hadl scored two touchdowns and passed for another in the 28-14 victory.

The Kansas ace was given a good run for the weekly honor by Joe Bellino of Navy, Roman Gabriel of North Carolina State, Ronnie Goodwin of Baylor, Keith Lincoln of Washington State, Tommy Wells of Georgia Tech and Jim Kerr of Penn State, among others.

KYLE ROTE IS TOP RECEIVER

NEW YORK (AP) — Kyle Rote, a somewhat gimpy-kneed Texan, has a new lease on life—National Football League style.

"I've been in this game of football all my life," Coach Jim Lee Howell of the New York Giants said today, "and you just don't see the moves made by a pass receiver the way Kyle is doing them now."

"He really has been amazing. Study them in the game movies and your eyes pop."

The "eye-popping" Howell talks about comes as part of Rote's three-game performance that has sent defensive backfields in the NFL into a tizzy.

TOPS PASS CATCHERS

In those three games — road tests at San Francisco, St. Louis and Pittsburgh—Rote has maneuvered himself free enough to catch 19 passes for 287 yards and four touchdowns.

At 31, the former Southern Methodist halfback who switched to end when his troublesome knee gave in to constant pounding from opposing behemoths ranks first among all pass catchers.

This, although opponents still double-team him on most pass patterns.

Rote, now in his 10th NFL season with the Giants, says he is not running any particularly new patterns—"just learning the old ones after 10 years."

THREE CATS ENOUGH

DETROIT (AP)—The Highland Park City Council has voted that no home may have more than three cats. Violators will be subject to a \$50 fine and/or 90 days in jail.

The ruling came after Police Chief Dewey T. Schultz told the council of numerous complaints of cats causing disturbances. He said he found 27 cats in one home.

KHRUSHCHEV POSTPONES LONDON (AP)—Soviet Premier Khrushchev's scheduled early October visit to North Korea has been postponed, Moscow radio reported Tuesday night. It said he will make the visit at a date to be announced later.

TO LAUNCH SUB

LONDON (AP) — Queen Elizabeth II will launch Britain's first nuclear submarine next week. Built with U.S. help and with a U.S.-trained crew, the submarine Dreadnought will have an American reactor to power it.

KANSAS CITY (AP) — Westchester (Pa) State College (4-0) today was ranked 19th in a weekly National Association of Intercollegiate Athletics football poll conducted by a panel of 44 coaches.

OLE MISS, IOWA SYRACUSE TO WIN BIG GAMES

By HAROLD CLAASSEN

Associated Press Sports Writer NEW YORK (AP)—In fourteen hundred ninety-two, Columbus sailed the ocean blue.

He landed 468 years ago today amidst great confusion. Some of the confusion still exists but it is concentrated primarily among football forecasters. So great was the confusion last week that 17 incorrect picks were scattered among 34 others that were exactly on the button. That cut the season's average to .730.

GIBBS OUTSTANDING

Mississippi over Tulane: The Rebels' Jake Gibbs is an outstanding quarterback and has accounted for 533 yards, personally, in Mississippi's four straight triumphs this year. He's too much for Tulane to handle.

Iowa over Wisconsin: Two teams that have done better than expected but the Hawkeye speed will prevail.

Ohio State over Purdue: Bob Ferguson, the Ohio State fullback, is 217 pounds of pure dynamite. The Bollermakers present a leaky defense.

SYRACUSE TO WIN

Syracuse over Penn State: A Syracuse official called the defending national champions "fat and complacent" after their squeaker with Holy Cross. Penn State will pay the penalty.

Navy over Air Force: A personal duel between the Middles' Joe Bellino and the Falcons' Rich Mayo, Bellino will get the more help.

Missouri over Kansas State: With the greatest of ease.

OKLAHOMA TO LOSE AGAIN

Baylor over Texas Tech: by about two touchdowns.

Clemson over Maryland: The Carolina Tigers get revenge for the 28-25 setback of a year ago. It could go the other way.

Kansas over Oklahoma: Oklahoma has lost only one conference game in 13 years. The second loop defeat will be delivered Saturday with John Hadl and Bert Coan doing the heavy work.

OTHER GAMES

Elsewhere: Minnesota over Illinois; Texas over Arkansas; Washington over UCLA; Michigan State over Notre Dame; Tennessee over Alabama; Oregon State over Idaho; Arizona State over Brigham Young; Auburn over Georgia Tech.

PHENOMENAL RECORD "We never have much trouble with signals. Once and a while he shakes me off, and once in a while we both shake our heads just to make the batter worry."

"He's a small guy with a big heart and a strong arm. All he needs is five warm-up pitches and he's ready to go."

Says Smith: "Some days his fork ball breaks a foot or more and some days it doesn't break much, but when that happens it comes in like a change-up. It's effective even if it isn't breaking."

"Those Yankees didn't realize he could throw as hard as he does."

Face, who is 5-7½ and weighs 155, last year achieved the phenomenal record of 18 victories and 1 defeat in relief, and already in the current World Series has figured in all three Pirate victories.

SERIES MEMORIES By THE ASSOCIATED PRESS On Oct. 12 in: 1929 — The A's scored 10 runs in the seventh inning to overcome an 8-0 deficit and defeated the Cubs 10-8.

1925 — Vic Aldridge pitched an eight-hitter and Clyde Barnhart drove in two runs as the Pirates beat the Senators 6-3.

1923 — Casey Stengel's seventh-inning homer and Art Nehf's sixth-inning pitching gave the Giants a 1-0 victory over the Yanks.

1920 — Stan Coveleski's five-hitter enabled the Indians to blank the Dodgers 3-0 and win the series, five games to two.

FIGHT RESULT By THE ASSOCIATED PRESS New York — Joey Donovan, 143, New York, won a split decision over Bobby Bartels, 143½, New York, 10.

1961 VALIANT CARS ARE NOW ON DISPLAY

The 1961 Valiant has been improved in many ways for operating economy, durability, performance and smoothness of ride. In external appearance, it continues to accent the line and proportion which won wide acclaim when the car first appeared last year. Valiant offers air conditioning for the first time as a dealer-installed option.

The Valiant series may be seen at the Gettysburg Motors, York St.

Most noticeable change from the front is the new grille. It has a more open appearance from a chrome-over-black background treatment. A new grille medallion in blue and red against a white field is textured with fine horizontal lines.

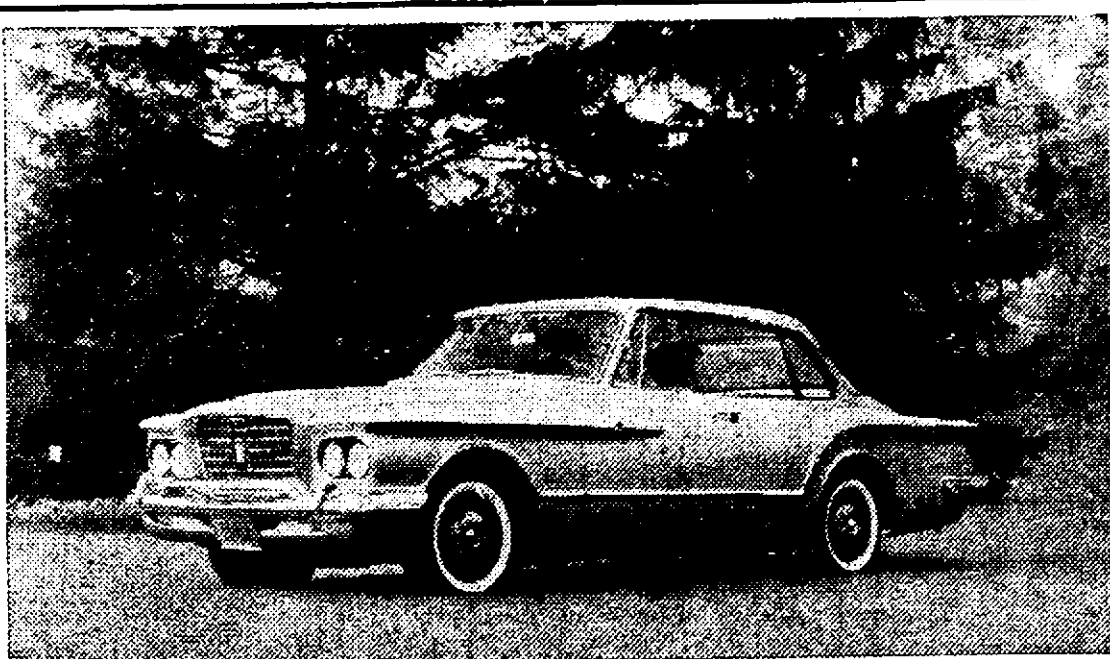

All models are powered by a six-cylinder, overhead valve engine with a displacement of 170 cubic inches. Inclined 30 degrees from the vertical to permit use of a unique manifold for maximum fuel economy, the engine has a horsepower rating of 101. The compression ratio has been reduced from 8.5 to 8.2 enabling the engine to handle nonpremium fuel in a more efficient manner.

NEW SHOCK ABSORBERS

The oriflow shock absorbers have been redesigned for quieter operation. The carburetor has improvements which virtually eliminate flooding caused by dirt between the needle valve and seat. The life of the body has been increased through improved corrosion protection. The manual transmission shift linkage has been improved to provide a more positive feel of the shift pattern and the gear level has been made longer and higher for convenience.

The Valiant is offered in both the V-100 and V-200 series, a total of six models. The four-door and two-door sedan, two-seat suburban are available in either series. The four-door, three-seat suburban, which was available last year's V-200, has been dropped from the line. Instead as a dealer-installed option, a third seat package is available for buyers who require more seating space. For greater passenger comfort, the set back of the suburban rear seats have been widened by four and one-quarter inches.

ROCHESTER, N. Y. (AP) — Twelve persons showed up for a bipartisan panel discussion by four candidates for the New York Legislature at the Chamber of Commerce Monday night. The chamber had mailed more than 6,000 invitations. The dozen who appeared were the four candidates, two campaign managers, three Chamber of Commerce representatives and three newsmen. The discussion was cancelled.

Valiant offers a more complete line of body styles for 1961 in the low-price, compact car class, in anticipation of even greater buyer demand for the most economical American-built cars. In addition to the four-door sedan and the suburban in two different series, there is now a two-door sedan in the V-100 series and a two-door hardtop in the V-200 series. The 1961 Valiant has been improved in many ways for operating economy, durability, performance and smoothness of ride. In external appearance, it continues to accent the beauty of line and proportion which won wide acclaim when the car first appeared last year. Valiant offers air conditioning for the first time as a dealer-installed option.

MRS. DELLA BUTT ABBOTTSTOWN — Mrs. Alice Cleaver is a patient at the Warner Hospital, Gettysburg.

Norman Moul is confined to his home by illness.

The United Church of Christ served banquets to the Eastern Star and Stoverstown Choir last week.

Mr. and Mrs. Eddie Witters and son are visiting relatives in town.

The Ever Ready Class of the United Church of Christ will conduct its meeting at the home of Mrs. Elmer Markle, Hanover, Wednesday evening at 8 p.m. A miscellaneous auction will be held in place of the usual routine of games.

A party of the Abbottstown Fire Company will be held Saturday at 8 p.m. in the fire hall.

The Abbottstown Lion Club will hold its meeting at the Hofbrauhaus at 6:30 p.m. Thursday.

Mr. and Mrs. Charles Slothour and Mr. and Mrs. Elmer Butt vacationed at Haneyville over the weekend.

Mr. and Mrs. Charles Swope went sightseeing at Wellsboro and Pennsylvania Grand Canyon over the weekend.

Mrs. Ralph Hoff remains a patient at the Hanover Hospital.

Mrs. Leo Altland is visiting her daughter, Evelyn, at Costa Mesa, Calif.

The Flaming Knights held their weekly meeting at the Flaming Knight club room above the Abbottstown fire hall on October 4. The annual election of officers for 1961 was held. They include: President, Harry Moul; vice president, Homer Hafer; treasurer, William Haverstick; secretary, Robert Moul; reporter, Donald Crawford; and sergeant at arms, Kenneth Haverstick.

Growth of membership was discussed at the meeting.

Mrs. George Smeltz Jr., Tucson, Ariz., is visiting her mother, Mrs. Norman Miller.

SHIPLEY CALLS WADE'S RECORD "INFAMOUS"

HARRISBURG (AP) — The administration unleashed a double-barreled barrage Tuesday against the chief Republican critic of its highway enforcement proposals.

Traffic Safety Commissioner O. D. Shipley, in a letter made public by his office, called State Sen. George N. Wade's record on these proposals infamous.

Shipley's attack upon the Cumberland County Republican, who is also chairman of the Senate Highways Committee, followed a statement earlier in the day by State Police Commissioner Frank G. McCartney.

NO COMMENT

Wade was not immediately available for comment.

McCartney had defended the state police crackdown on high-way speeders in which plainclothesmen, in unmarked cars, were being teamed with uniformed state police.

Ariz., is visiting her mother, Mrs. Norman Miller.

ABBOTTSTOWN — The two-hundred-year-old St. John's Lutheran Church, Abbottstown, will celebrate the 70th anniversary of the dedication of their present church on Sunday at the 10:30 o'clock service. Dr. Norman Wolf, a son of the congregation, will preach on "By Way of Remembrance."

At 12:30 p.m. the congregation will participate in a luncheon to be served by the Ladies Aid Society. The group will reconvene in the church for an informal service at 2 p.m. in which the returning guests will be presented.

Rally Day was observed in the church school last Sunday, Omni Kangas, business manager of the Central Pennsylvania Synod, spoke. The officers, teachers and assistants were installed by the pastor, Rev. L. J. Karschner. The Luther League leaders were also inducted.

Committees are at work preparing for the Parish Life Advance Now. In connection with this, a congregational dinner meeting will be held in the United Church of Christ, Abbottstown, on October 25 at 6:30 a.m. Rev. M. C. Bottiger, assistant to the president of the synod, will speak.

The congregation will be host to the West Pennsylvania Conference in its annual meeting on October 24.

Four members of the council are serving as visitors to other congregations at the request of the synod. They are: B. B. Smith, George Meckley, Wilmer Gross and Dale Hoffheins.

Hanover Driver In Fatal Mishap

READING, Pa. (AP) — John A. Reifsnider, 78, was killed Monday when his automobile and a truck collided on Route 22, near Strausstown, 22 miles northwest of here.

Reifsnider, who lived in Strausstown, Berks County was pronounced dead at the scene. He was thrown out of the auto by the impact.

Police identified the driver of the truck involved in the accident as James A. Carbaugh, 24, Hanover, Pa.

lice in marked cars to trap speeders. Wade had said the methods reminded him of "Gestapo tactics," a remark that touched off the administration retorts.

In his letter to Wade, Shipley said the interjection of partisan politics in the highway safety program is morally wrong.

Shipley also listed six House-approved bills which he said Wade was influential in defeating in the 1959 Senate: turnpike medial barriers, increase in state police force, chemical tests on drunken driving suspects, radar, reduced gears for trucks on steep grades, empowering highways secretary to fix speed limits.

"Not only have you obstructed passage of this very vital life-saving legislation, but you have publicly made misrepresentations of certain safety measures," Shipley added.

His letter was the hardest-hitting attack against Wade by a Democratic administration since former Gov. Leader ordered the weekly highway fatality reports sent to Wade's home following defeat of similar enforcement measures in 1957.

GOOD SIGNS EXIST DESPITE BAD OUTLOOK IN BUSINESS

By SAM DAWSON AP Business News Analyst NEW YORK (AP) — In a welter of disquieting news a few cheerful business items give out a bright light today.

You may have to look hard to find them among the outpouring of generally depressing or caution provoking reports and statistics. But the reassuring ones are there.

Even the unemployment picture looks a little better. This is the knottiest problem in the economy, and is still far from untied.

DROP IN JOBLESS

But the September report shows a drop in the total jobless of more than a quarter million—greater than usual in September, although the total is still staying higher than a year ago and involving a disquieting percentage of the labor force.

Labor Secretary James P. Mitchell takes comfort from the report that employment was the highest for any September. Less optimistic observers note that unemployment usually drops in September because the junior citizens who have been classed as jobless during the summer return to school and thus drop out of the labor force, and because industrial vacations end.

Businessmen take comfort from the report that in August new orders received by manufacturers were higher than in July after falling for two months.

SALES PICK UP

Many retailers report sales picked up in September. Among the chain stores on the plus side compared with last year were: J. J. Newberry, Peoples Drug Stores, Mangel Stores, Aldens, G. C. Murphy and Edison Bros. Stores.

All the earnings reports aren't more so.

Mr. and Mrs. James Henry and nephew and niece, Steven and Carol Leach, of Baltimore, spent the weekend with Mrs. Henry's mother, Mrs. Grace Carbaugh, Frederick St.

Sunday morning the Grace United Church of Christ will observe Laymen's Sunday as an institution of the Protestant Church.

The Ladies Auxiliary of the Volunteer Fire Company will hold their regular monthly meeting in the form of a pot-luck supper at 6:30 in the firemen's building on the carnival ground with President Ethel Garber in charge.

Unemployment In Penna. Increased In Last Month

HARRISBURG (AP) — Unemployment worsened in Pennsylvania last month and Gov. Lawrence told a group of bankers Tuesday it makes sense economically to try to conquer this problem.

The State Labor and Industry Department reported unemployment in mid-September at 343,000 persons, or 7.4 per cent of the total work force. That represented an increase of 8,000 from the August total. The national average for August (last month for which the statistic was available) was 5.3 per cent unemployment.

Lawrence, speaking at a meeting in Pittsburgh of the Pennsylvania Industrial Bankers Association, said this problem has cost the state \$490 million in relief and unemployment compensation payments in the last 7 1/2 years.

NEW INDUSTRY SYMBOLIC

"Action in this field would make sense economically—not only from the standpoint of income for workers and their families, but in terms of tax revenues and the reduction of burdensome unemployment compensation and public assistance payments," Lawrence said.

At Williamsport today, dedicating a \$4 million manufacturing plant, Lawrence said such introduction of new industry to the state is symbolic of Pennsylvania's future.

"If there is one thing we have learned, here in Pennsylvania, it is the simple rule that a community of people can do any job it sets for itself—if it has the right spirit, the determination and the willingness to work hard together," Lawrence said.

Secretary William L. Batt Jr., said by any means, either.

American Telephone & Telegraph says earnings of its Bell system in the June-August period topped the previous three months and set a record for the summer months.

STEEL INDUSTRY GOOD

The Great Atlantic & Pacific food chain reports its profits in the six months ending August 27 were higher than in the 1959 period.

Even the steel industry has a smidgen of good news today. The steelmen have furnished more than their quota of disturbing reports of late. Their mills have been turning out little more than half as much tonnage as they could produce. But while most are still in the doldrums, a few here and there report their customers are putting in new orders, some on a hurry-up basis.

ABOVE POLITICS

The governor—alluding to issues raised in the political campaign—said he realized that anyone who speaks about the need for American growth and for a renewal of American prestige is leaving himself wide open to criticism. But, he added:

"In a free nation, citizens not only have the right to criticize, they also have the obligation."

The governor said the needs of Pennsylvania's citizens must be placed ahead of the needs of one group or political party.

ABBOTTSTOWN — The two-hundred-year-old St. John's Lutheran Church, Abbottstown, will celebrate the 70th anniversary of the dedication of their present church on Sunday at the 10:30 o'clock service. Dr. Norman Wolf, a son of the congregation, will preach on "By Way of Remembrance."

At 12:30 p.m. the congregation will participate in a luncheon to be served by the Ladies Aid Society. The group will reconvene in the church for an informal service at 2 p.m. in which the returning guests will be presented.

Rally Day was observed in the church school last Sunday. Onni Kangas, business manager of the Central Pennsylvania Synod, spoke. The officers, teachers and assistants were installed by the pastor, Rev. L. J. Karschner. The Luther League leaders were also inducted.

Committees are at work preparing for the Parish Life Advance Now. In connection with this, a congregational dinner meeting will be held in the United Church of Christ, Abbottstown, on October 25 at 6:30 a.m. Rev. M. C. Bottiger, assistant to the president of the synod, will speak. The congregation will be host to the West Pennsylvania Conference in its annual meeting on October 24.

Four members of the council are serving as visitors to other congregations at the request of the synod. They are: B. B. Smith, George Meckley, Wilmer Gross and Dale Hoffheins.

SHIPLEY CALLS WADE'S RECORD "INFAMOUS"

HARRISBURG (AP) — The administration unleashed a double-barreled barrage Tuesday against the chief Republican critic of its highway enforcement proposals.

Traffic Safety Commissioner O. D. Shipley, in a letter made public by his office, called State Sen. George N. Wade's record on these proposals infamous.

Shipley attacked upon the Cumberland County Republican, who is also chairman of the Senate Highways Committee, followed a statement earlier in the day by State Police Commissioner Frank G. McCartney.

Wade was not immediately available for comment.

McCartney had defended the state police crackdown on highway speeders in which plainclothesmen, in unmarked cars, were being teamed with uniformed state police.

Hanover Driver In Fatal Mishap

READING, Pa. (AP) — John A. Reifsnider, 78, was killed Monday when his automobile and a truck collided on Route 22, near Strausstown, 22 miles northwest of here.

Reifsnider, who lived in Strausstown, Berks County was pronounced dead at the scene. He was thrown out of the auto by the impact.

Police identified the driver of the truck involved in the accident as James A. Carbaugh, 24, Hanover, Pa.

lice in marked cars to trap speeders. Wade had said the methods reminded him of "Gestapo tactics," a remark that touched off the administration retorts.

In his letter to Wade, Shipley said the interjection of partisan politics in the highway safety program is morally wrong.

Shipley also listed six House-approved bills which he said Wade was influential in defeating in the 1959 Senate: turnpike medial barriers, increase in state police force, chemical tests on drunken driving suspects, radar, reduced gears for trucks on steep grades, empowering highways secretary to fix speed limits.

"Not only have you obstructed passage of this very vital life-saving legislation, but you have publicly made misrepresentations of certain safety measures," Shipley added.

His letter was the hardest-hitting attack against Wade by a Democratic administration since former Gov. Leader ordered the weekly highway fatality reports sent to Wade's home following defeat of similar enforcement measures in 1957.

GOOD SIGNS EXIST DESPITE BAD OUTLOOK IN BUSINESS

By SAM DAWSON

AP Business News Analyst
NEW YORK (AP)—In a welter of disquieting news a few cheerful business items give out a bright light today.

You may have to look hard to find them among the outpouring of generally depressing or caution provoking reports and statistics. But the reassuring ones are there.

Even the unemployment picture looks a little better. This is the knottiest problem in the economy, and is still far from untied.

DROP IN JOBLESS
But the September report shows a drop in the total jobless of more than a quarter million—greater than usual in September, although the total is still staying higher than a year ago and involving a disquieting percentage of the labor force.

Labor Secretary James P. Mitchell takes comfort from the report that employment was the highest for any September. Less optimistic observers note that unemployment usually drops in September because the junior citizens who have been classed as jobless during the summer return to school and thus drop out of the labor force, and because industrial vacations end.

Businessmen take comfort from the report that in August new orders received by manufacturers were higher than in July after falling for two months.

SALES PICK UP
Many retailers report sales picked up in September. Among the chain stores on the plus side compared with last year were: J. J. Newberry, Peoples Drug Stores, Mangel Stores, Aldens, G. C. Murphy and Edison Bros. Stores.

All the earnings reports aren't more so.

Mr. and Mrs. James Henry and nephew and niece, Steven and Carol Leach, of Baltimore, spent the weekend with Mrs. Henry's mother, Mrs. Grace Carbaugh, Frederick St.

Friday morning the Grace United Church of Christ will observe Laymen's Sunday as an institution of the Protestant Church.

Unemployment In Penna. Increased In Last Month

HARRISBURG (AP) — Unemployment worsened in Pennsylvania last month and Gov. Lawrence told a group of bankers Tuesday it makes sense economically to try to conquer this problem.

The State Labor and Industry Department reported unemployment in mid-September at 343,000 persons, or 7.4 per cent of the total work force. That represented an increase of 8,000 from the August total. The national average for August (last month for which the statistic was available) was 5.3 per cent unemployment.

Lawrence, speaking at a meeting in Pittsburgh of the Pennsylvania Industrial Bankers Association, said this problem has cost the state \$490 million in relief and unemployment compensation payments in the last 7½ years.

NEW INDUSTRY SYMBOLIC
"Action in this field would make sense economically—not only from the standpoint of income for workers and their families, but in terms of tax revenues and the reduction of burdensome unemployment compensation and public assistance payments," Lawrence said.

At Williamsport today, dedicating a \$4 million manufacturing plant, Lawrence said such introduction of new industry to the state is symbolic of Pennsylvania's future.

"If there is one thing we have learned, here in Pennsylvania, it is the simple rule that a community of people can do any job it sets for itself—if it has the right spirit, the determination and the willingness to work hard together," Lawrence said.

Secretary William L. Batt Jr., said by any means, either.

American Telephone & Telegraph says earnings of its Bell system in the June-August period topped the previous three months and set a record for the summer months.

STEEL INDUSTRY GOOD
The Great Atlantic & Pacific food chain reports its profits in the six months ending August 27 were higher than in the 1959 period.

Even the steel industry has a smidgeon of good news today. The steelmen have furnished more than their quota of disturbing reports of late. Their mills have been turning out little more than half as much tonnage as they could produce. But while most are still in the doldrums, a few here and there report their customers are putting in new orders, some on a hurry-up basis.

ABOVE POLITICS
The governor—alluding to issues raised in the political campaign—said he realized that anyone who speaks about the need for American growth and for a renewal of American prestige is leaving himself wide open to criticism. But, he added:

"In a free nation, citizens not only have the right to criticize, they also have the obligation."

The governor said the needs of Pennsylvania's citizens must be placed ahead of the needs of one group or political party.

KENNEDY ASKS FIFTH DEBATE IN FINAL DAYS

By JOE HALL

NEW YORK (AP)—Sen. John F. Kennedy has urged that a fifth television-radio debate be staged between himself and Vice President Richard M. Nixon a few days before the Nov. 8 election. The Democratic presidential nominee sent a telegram to the National Broadcasting Co. and the American Broadcasting Co. accepting their proposal for such a meeting.

He said he hoped the other networks would join in.

LAST SCHEDULED OCT. 21

"In a political campaign of such importance as this one, I do not believe we should permit the last 18 days of the campaign to go by without one further exchange between the two candidates," he explained.

"In today's world, the issues

shift quickly and I believe that a fifth appearance would fill the void left in the present scheduling. I hope that Mr. Nixon will join in this proposal."

Under the present schedule, the fourth and last debate will be Oct. 21. The third is on Thursday night of this week.

FEELS HE'S DOING WELL

Kennedy did not say so in his wire, but it was learned that the Democratic contender also would like another debate closer to the election because he feels he has done well in the first two.

Some Democratic leaders also have told newsmen they fear a Republican TV blitz in the last two weeks of the campaign after the fourth debate—a saturation campaign using films of Nixon and President Eisenhower which Democrats would be unable to counter because of lack of money.

A fifth debate was suggested last Saturday in a telegram to the networks by three Democratic senators who sponsored legislation making the unprecedented encounters possible. They suggested Nov. 2 as a possible time, NBC and ABC accepted their proposal Monday.

KEE PRAISES GOP TICKET IN TV TALK

By MARVIN L. ARROWSMITH

WASHINGTON (AP)—President Eisenhower says he rates Richard M. Nixon and Henry Cabot Lodge this way: "We could have found no two better men to head the Republican ticket."

Heaping praise again on presidential nominee Nixon and running mate Lodge, Eisenhower told a nationwide television audience Monday night: "By experience in both foreign and domestic affairs, I think they are unequaled."

The President hit sharply at the contention of Nixon's Democratic rival, Sen. John F. Kennedy, that United States prestige has been lowered abroad during the Eisenhower administration.

DEFENDS RECORD

Eisenhower vigorously defended administration foreign policy and in such domestic areas as inflation control, civil rights, budget

balancing and school construction in answering the questions of 10 women workers for Nixon and Lodge.

It was his first coast-to-coast TV appearance in the 1960 campaign. The paid political broadcast was sponsored by the Volunteers for Nixon-Lodge organization.

The panel of women, from 10 states, went on the air with the president from an NBC studio here.

COZY SETTING

The set was fitted out as a cozy living room. Eisenhower, wearing a dark gray suit, stood before a fireplace during the 30-minute program. His questioners were seated in a semicircle around a marble top coffee table with cups and saucers and a silver service set.

The President seemed to enjoy himself firing back answers during the program — and he had a fine time laughing and joking with the ladies before and after air time.

Among other things, he told them then that he would like to see a modern supermarket — that he has been in a store only a

SPACE DRILL INVENTED FOR MOON PROBING

BY THE ASSOCIATED PRESS

How to make a drilling rig for the moon, and how to feed a toad are among this week's scientific questions:

Exploring the moon. Scientists have started designing a space drill to dig down into mysteries of the moon's surface.

Carried up by a spaceship, the drill will be operated by remote control, with electronic systems messaging back what it finds.

It isn't a simple challenge, for the moon has no air. Temperatures can range from 270 degrees Fahrenheit down to 184 below zero. The drill must survive a bumpy landing, and cannot be very heavy. Scientists at Armour Research Foundation, Chicago, are wrestling also with questions of what kind of drill head to use, the best method of powering the drill, and how hard the moon's surface is.

On the Fly. Toads will only eat something which is moving. Then with a flick of their tongues, they corral their dinner.

In the laboratory or home terrarium (a hotel for toads and such), they will eat bits of hamburger, carrots or even some breakfast cereals if the nonliving food is waved in front of them.

This is tedious, so researchers designed a turntable or lazy Susan, putting food on the turn. The toads seize it as food goes by.

If toads ride on the turntable along with the food, they still will eat. This indicates that movement of the background induces perception of motion in the toad. The story is told in Science by Walter Kaess, University of Connecticut psychologist, and Francis Kaess of Storrs, Conn., Grammar School.

SHORT SKIRTS UP TO CITIZENS

YORK, Pa. (AP)—Are short skirts indecent?

William N. Craley, principal of the suburban Central Union High School, says skirts with hemlines above the knees certainly are indecent.

When he made this known in personal warnings last week to a handful of the 700 girls in the junior-senior high school, he started a sizzling feud that boiled over Tuesday into the hands of a 12-member citizens committee.

At a noisy meeting Monday night, at which parents referred to Craley as dictatorial, the school board decided to let the citizens committee resolve the hemline controversy.

When one parent asked for a show of feeling on whether the board and school administration should be thrown out, about 650 of the 700 persons at the meeting stood up.

The 96 pupils who brought the issue to a head last Friday by staging a sit-down strike in the school cafeteria were readmitted to school Monday. Observers said they didn't notice any bare knees.

LANCASTER, Pa. (AP)—A young woman told police that her husband was killed Monday night when a rifle discharged as she was ready to hand it to him.

Mrs. Jacqueline Weaver, 20, of nearby Manheim Township, was charged with involuntary manslaughter. Her husband, James, 22, was about to clean the rifle, she said.

KENNEDY ASKS FIFTH DEBATE IN FINAL DAYS

By JOE HALL

NEW YORK (AP)—Sen. John F. Kennedy has urged that a fifth television-radio debate be staged between himself and Vice President Richard M. Nixon a few days before the Nov. 8 election.

The Democratic presidential nominee sent a telegram to the National Broadcasting Co. and the American Broadcasting Co. accepting their proposal for such a meeting.

He said he hoped the other networks would join in.

LAST SCHEDULED OCT. 21

"In a political campaign of such importance as this one, I do not believe we should permit the last 18 days of the campaign to go by without one further exchange between the two candidates," he explained.

"In today's world, the issues

shift quickly and I believe that a fifth appearance would fill the void left in the present scheduling. I hope that Mr. Nixon will join in this proposal."

Under the present schedule, the fourth and last debate will be Oct. 21. The third is on Thursday night of this week.

FEELS HE'S DOING WELL

Kennedy did not say so in his wire, but it was learned that the Democratic contender also would like another debate closer to the election because he feels he has done well in the first two.

Some Democratic leaders also have told newsmen they fear a Republican TV blitz in the last two weeks of the campaign after the fourth debate—a saturation campaign using films of Nixon and President Eisenhower which Democrats would be unable to counter because of lack of money.

A fifth debate was suggested last Saturday in a telegram to the networks by three Democratic senators who sponsored legislation making the unprecedented encounters possible. They suggested Nov. 2 as a possible time. NBC and ABC accepted their proposal Monday.

IKE PRAISES GOP TICKET IN TV TALK

By MARVIN L. ARROWSMITH

WASHINGTON (AP)—President Eisenhower says he rates Richard M. Nixon and Henry Cabot Lodge this way: "We could have found no two better men to head the Republican ticket."

Heaping praise again on presidential nominee Nixon and running mate Lodge, Eisenhower told a nationwide television audience Monday night: "By experience in both foreign and domestic affairs, I think they are unequalled."

The President hit sharply at the contention of Nixon's Democratic rival, Sen. John F. Kennedy, that United States prestige has been lowered abroad during the Eisenhower administration.

Eisenhower vigorously defended administration foreign policy and in such domestic areas as inflation control, civil rights, budget

balancing and school construction in answering the questions of 10 women workers for Nixon and Lodge.

It was his first coast-to-coast TV appearance in the 1960 campaign. The paid political broadcast was sponsored by the Volunteers for Nixon-Lodge organization.

The panel of women, from 10 states, went on the air with the President from an NBC studio here.

COZY SETTING

The set was fitted out as a cozy living room. Eisenhower, wearing a dark gray suit, stood before a fireplace during the 30-minute program. His questioners were seated in a semicircle around a marble top coffee table with cups and saucers and a silver service set.

The President seemed to enjoy himself firing back answers during the program — and he had a fine time laughing and joking with the ladies before and after air time.

Among other things, he told them then that he would like to see a modern supermarket — that he has been in a store only a

SPACE DRILL INVENTED FOR MOON PROBING

BY THE ASSOCIATED PRESS

How to make a drilling rig for the moon, and how to feed a toad are among this week's scientific questions:

Exploring the moon

Scientists have started designing a space drill to dig down into mysteries of the moon's surface.

Carried up by a spaceship, the drill will be operated by remote control, with electronic systems messaging back what it finds.

It isn't a simple challenge, for the moon has no air. Tempera-

ture can range from 270 degrees Fahrenheit down to 184 below zero. The drill must survive a bumpy landing, and cannot be very heavy. Scientists at Armour Research Foundation, Chicago, are wrestling also with questions of what kind of drill head to use, the best method of powering the drill, and how hard the moon's surface is.

On the Fly

Toads will only eat something which is moving. Then with a flick of their tongues, they corral their dinner.

In the laboratory or home terrarium (a hotel for toads and such), they will eat bits of hamburger, carrots or even some breakfast cereals if the nonliving food is waved in front of them.

This is tedious, so researchers designed a turntable or lazy Susan, putting food on the rim. The toads seize it as food goes by.

If toads ride on the turntable along with the food, they still will eat. This indicates that movement of the background induces perception of motion in the toad. The story is told in Science by Walter Kaess, University of Connecticut psychologist, and Francis Kaess of Storrs, Conn., Grammar School.

BAR NEWSMEN FROM MISSILE SHOT FIRING

By HOWARD BENEDICT
CAPE CANAVERAL, Fla. (AP)—For the first time in nearly three years, newsmen will be barred from reporting a U.S. ballistic missile shot. The Navy offers no explanation why information will be withheld on a series of Polaris submarine launchings.

The atomic submarine Patrick Henry waits at nearby Port Canaveral to cruise submerged to an undisclosed position far out in the Atlantic. There it will begin a series of shots aimed at increasing the range of the Polaris missile.

The Navy said it will not inform the press in advance of the launchings, nor will it report test results.

When protesting newsmen asked why, the only answer was that the firings "will approximate operational conditions by elimination of certain restrictions necessarily imposed to protect populated areas."

RANGE OF 1,380 MILES

The Polaris will have an initial operational range of 1,380 miles. The forthcoming shots are the first designed to boost this to the 1,725-mile range scheduled for an advanced version of the rocket by 1962.

The Navy denies speculation it is clamping secrecy on the submarine shots because it fears adverse publicity in case of failure. Project officials are pushing to have the Polaris system combat-ready in November, but many are concerned because four of the last five submarine-launched Polaris missiles failed.

Yale's first football opponent was Columbia. They played in 1872; Yale won, three goals to none.

Mother And Son Are Found Slain

RICHMOND, Va. (AP)—A woman—who has relatives in Pennsylvania—and her son were found shot to death Monday in what police said was an apparent murder-suicide.

The bodies of Mrs. Helen Haydock Ryland, 70, widow of former Richmond banker Samuel P. Ryland, and her son, S. P. Ryland Jr., 38, were found by a neighbor in the upstairs bedroom of their Northside home.

Officers said both had been shot with a .38-caliber revolver. They said it appeared Mrs. Ryland had shot her mentally retarded son, and then herself.

Surviving Mrs. Ryland are a sister, Miss Emily G. Haydock of Philadelphia, and two brothers, Horace W. Haydock of Merion Station, Pa., and Roger Haydock of Jenkintown, Pa.

NIXON LAUDS VERNON LAW

SALT LAKE CITY (AP)—Vice President Richard M. Nixon told a predominantly Mormon audience Monday night that the church should send Vernon Law to Pittsburgh as a missionary "after what he's done for the Pirates."

"The church should find a lot of converts there," he said to a burst of applause.

Pitcher Law, an elder in the Church of Jesus Christ of Latter-day Saints (Mormon), won the first and fourth World Series games for Pittsburgh. He is a native of Meridian, Idaho, and has been active church member.

Nixon mentioned Law after telling the audience in the Mormon tabernacle that he had renewed acquaintances here with Johnny Baker, once a star miler on the track team at Nixon's alma mater, Whittier (Calif.) College. Nixon said Baker spent two years as a Mormon missionary in England after graduation.

TELEPHONE IS GOOD AND BAD, SAYS SCRIBE

By HAL BOYLE
NEW YORK (AP)—Dr. Alexander Graham Bell did a great thing when he invented the telephone. It served people apart. It brought them by wire closer together across county and continent.

It seemed for a while that the telephone was the greatest sociological instrument ever devised. It made the world a universal "Hello."

GREATER FUTURE

There are those who now believe the telephone has an even greater future by marrying it to television. I don't mean to explore here the possibilities of pay-TV by wire.

What I mean to discuss is the possibility you can phone people and see them as you talk to them personally.

This prospect may sound like a fine scientific achievement, but I think its real appeal is to teenagers rather than grownups.

HAVE FASCINATIONS

Teen-agers seem to have a fascination for each other's face and voice which to the average grown-up is repellent. They could use the teaming of electronic voice and electronic sight to enjoyment. No one else I know can.

The truth is that the telephone rather overdid its ability to say "Hello" to everybody and anybody.

Certainly, like the Pony Express and the telegraph, it was a dramatic victory in communications. But the better it got, the more problems the telephone created.

DEMANDS PRIVACY

It became an instrument to invade the greatest and most indispensable communication a man can have—the communication of his own thought to himself, which needs no wires. But it does demand privacy.

The telephone is a great instrument of many purposes. It saves the housewife from walking to stores. It speeds business decisions. It is the voice of reach to friends. In an emergency it is a cry of help that brings quick aid. It knits the lonely; it joins the gossips; it keeps, in occasional and needed reunion, the loyalties of farflung families.

DISMAL THINGS

But the telephone does other and more dismal things, too. People, you call up and would prefer not to hear you have to do so. People you don't want to hear from again have this invisible choice to your ear.

Strangers call you up and ask you to do things you don't want to.

A CHORE AND FEAR

Answering a telephone, which originally was a thrill, becomes in time a chore and a fear.

In business there is also a tendency toward putting a hired ear between your own ear and the phone. Anyone who picks up his own phone and answers it when it rings is behind the times.

I would phone up Dr. Alexander Graham Bell in heaven and complain about this except for one thing.

I'm sure the reply would be: "Dr. Bell is not available now. Can I take a message?"

SYDNEY, Australia (AP)—The Australian navy ammunition ship Woomera caught fire and sank after an explosion Tuesday 23 miles off Sydney. Two of the 27 crewmen were killed and two were injured.

Frigates on a training exercise in the area picked up the survivors.

Few Red Advisors Left In Shanghai

HONG KONG (AP)—Only a handful of Soviet technical advisers are left in Shanghai compared to thousands a few months ago.

A recent European arrival from Red China's largest city reported Tuesday.

"A 300-flat apartment house was lit up every night like a Christmas tree when it was used to house Russian technicians, but since June it has been pitch dark," he said.

The European, who requested anonymity, said the exodus started about four months ago.

The European said he believed the Russians' departure was due as much to Red China's recent shift of emphasis from industry to agriculture as it was to the Peiping-Moscow ideological split over the necessity for war with the West.

Apologizes For State Failures

PHILADELPHIA (AP)—Judge J. Sydney Hoffman apologized Monday for what he described as the complete lack of state facilities for defective juveniles under 15 years of age.

He made his apology to the mother of Sally Ann Hayward, a 5-year-old girl who was stabbed 9 21 times Saturday night by a neighbor boy.

Leo Reilly Jr., 14, is accused of the crime. He has signed a confession admitting he did it.

Judge Hoffman continued his case until Oct. 24 to allow time for mental tests.

On May 1, 1920, the Brooklyn Dodgers and the Boston Braves played 26 innings for the longest major league game on record.

The game was called because of darkness with the score tied 1-1.

Estonian Sailor, 29, Jumps Baltika, Khrushchev's Ship

NEW YORK (AP)—An Estonian sailor from Soviet Premier Khrushchev's own ship, the Baltika, fled the ship Monday while visiting the city with companions and has requested political asylum.

He was identified as Victor Jaanimets, 29, a first class oiler on the ship which brought Khrushchev here for the United Nations General Assembly.

The Immigration and Naturalization Service said today Jaanimets "is presently in our custody in this building and will remain until his story is checked out and we determine that he is a bona fide political refugee."

"I've had my fill of Khrushchev. He is a tyrant—another Hitler," the New York Journal-American quoted him as saying in a copyright interview.

The Journal-American story also quoted the defector as saying: "I have been in America only a short time but I have seen enough to know that all the bad things said about your country in the Soviet Union is propaganda."

"The Russian people are told nothing but lies, lies," Jaanimets said through an interpreter that "there are others on the ship who will try and get away now that I've escaped. Half the crew, maybe more, would walk off right now if they could, and never go back."

"LUCKY TO ESCAPE"

"I am lucky to have escaped and I never want to go back. I know what this means. My family, my mother and my three sisters and brother may suffer. They will suffer. The Russians will undoubtedly retaliate against them. I feel badly leaving them behind. But I cannot help it. I am fed up. I must live my own life at liberty. I am lucky to have escaped."

The Journal-American quoted the sailor as giving this account of his escape in the presence of Alfred Anderson, the secretary-general of the Estonian Relief Committee of the United States, whom Jaanimets had begged for help in hiding him from the Soviets.

NEVER ALLOWED ALONE

"We were never allowed to go ashore alone. We always had to go ashore with another seaman, sometimes with several. When I left the ship Monday around noon, I was in the company of Harry Simon. My instructions had been to watch Simon. And I'm sure Simon was ordered to keep his eyes on me."

"This is the system—spying. We must spy on each other. We must find out who is against the Soviet system and why. Every Soviet sailor plays the role of the spy. He must look for military objects, airdromes, and other intelligence data that can be useful to the Soviet government."

HAD TO REPORT

"We look for these things every time we go ashore in any port. We report anything new. I didn't like this role for as long as I have been as a seaman, since 1957. Since that time I have been planning to escape, three long years."

(The New York Daily News said in a copyrighted story that Jaanimets escaped while in company of four fellow crewmen by going into a department store on pretext of buying hair tonic and then scurrying out another door.)

K ROUGHS IT UP DURING US VISIT

NEW YORK (AP)—When Soviet Premier Khrushchev packs up his shirts and socks and heads for home Thursday he ought to carry away at least some pleasant memories—mainly of living it up in a style even American millionaires can hardly afford.

At Khrushchev's disposal were four of the most magnificent residences this country has to offer. All are now owned by the Soviet Union.

Whether Khrushchev was just too busy, or whether elegance palled on him, he got around to hanging his hat in only two.

These were a five-story Park Avenue edifice and a 37-acre estate with a palatial 45-room mansion on Long Island.

For a fellow who advocates the simple life for his 200 million subjects, that's a pretty fair way to rough it when you're away from home.

The Soviets also have another country estate retreat on Long Island, a 60-room mansion at Upper Brookville, and a town house of many rooms adjoining the Park Avenue headquarters.

Joe DiMaggio hit .300 or better in four World Series.

BAR NEWSMEN FROM MISSILE SHOT FIRING

By HOWARD BENEDICT
CAPE CANAVERAL, Fla. (AP) — For the first time in nearly three years, newsmen will be barred from reporting a U.S. ballistic missile shot. The Navy offers no explanation why information will be withheld on a series of Polaris submarine launchings.

The atomic submarine Patrick Henry waits at nearby Port Canaveral to cruise submerged to an undisclosed position far out in the Atlantic. There it will begin a series of shots aimed at increasing the range of the Polaris missile.

The Navy said it will not inform the press in advance of the launchings, nor will it report test results.

When protesting newsmen asked why, the only answer was that the firings "will approximate operational conditions by elimination of certain restrictions necessarily imposed to protect populated areas."

RANGE OF 1,380 MILES

The Polaris will have an initial operational range of 1,380 miles. The forthcoming shots are the first designed to boost this to the 1,725-mile range scheduled for an advanced version of the rocket by 1962.

The Navy denies speculation it is clamping secrecy on the submarine shots because it fears adverse publicity in case of failure. Project officials are pushing to have the Polaris system combat-ready in November, but many are concerned because four of the last five submarine-launched Polaris missiles failed.

Mother And Son Are Found Slain

RICHMOND, Va. (AP) — A woman — who has relatives in Pennsylvania — and her son were found shot to death Monday when police said was an apparent murder-suicide.

The bodies of Mrs. Helen Haydock Ryland, 70, widow of former Richmond banker Samuel P. Ryland, and her son, S. P. Ryland Jr., 38, were found by a neighbor in the upstairs bedroom of their Northside home.

Officers said both had been shot with a .38-caliber revolver. They said it appeared Mrs. Ryland had shot her mentally retarded son, and then herself.

Surviving Mrs. Ryland are a sister, Miss Emily G. Haydock of Philadelphia, and two brothers, Horace W. Haydock of Merion Station, Pa., and Roger Haydock of Jenkintown, Pa.

TELEPHONE IS GOOD AND BAD, SAYS SCRIBE

By MAL BOYLE
NEW YORK (AP) — Dr. Alexander Graham Bell did a great thing when he invented the telephone. It served people apart. It brought them by wire closer together across county and continent.

It seemed for a while that the telephone was the greatest sociological instrument ever devised. "Hello."

GREATER FUTURE

There are those who now believe the telephone has an even greater future by marrying it to television. I don't mean to explore here the possibilities of pay-TV by wire.

What I mean to discuss is the possibility you can phone people and see them as you talk to them personally.

This prospect may sound like a fine scientific achievement, but I think its real appeal is to teenagers rather than grownups.

HAVE FASCINATIONS

Teen-agers seem to have a fascination for each other's face and voice which to the average grown-up is repellent. They could use the teaming of electronic voice and electronic sight to enjoyment. No one else I know can.

The truth is that the telephone rather overdid its ability to say "Hello" to everybody and anybody.

Certainly, like the Pony Express and the telegraph, it was a dramatic victory in communications. But the better it got, the more problems the telephone created.

DEMANDS PRIVACY

It became an instrument to invade the greatest and most indispensable communication a man can have—the communication of his own thought to himself, which needs no wires. But it does demand privacy.

The telephone is a great instrument of many purposes. It saves the housewife from walking to stores. It speeds business decisions. It is the voice of reach to friends. In an emergency it is a cry of help that brings quick aid. It knits the lonely; it joins the gossips; it keeps, in occasional and needed reunion, the loyalties of farflung families.

DISMAL THINGS

But the telephone does other and more dismal things, too. People, you call up and would prefer not to hear you have to do so. People you don't want to hear from again have this invisible choice to your ear.

Strangers call you up and ask you to do things you don't want to.

A CHORE AND FEAR

Answering a telephone, which originally was a thrill, becomes in time a chore and a fear.

In business there is also a tendency toward putting a hired ear between your own ear and the phone. Anyone who picks up his own phone and answers it when it rings is behind the times.

I would phone up Dr. Alexander Graham Bell in heaven and complain about this except for one thing.

I'm sure the reply would be: "Dr. Bell is not available now. Can I take a message?"

SYDNEY, Australia (AP) — The Australian navy ammunition ship Woomera caught fire and sank after an explosion Tuesday 23 miles off Sydney. Two of the 27 crewmen were killed and two were injured.

Frigates on a training exercise in the area picked up the survivors.

Queen Was Woman Behind Discoverer Of America

By JOY MILLER
AP Women's Editor

NEW YORK (AP) — As every husband has been told, back of each successful man there stands a woman. She may be pretty far back sometimes, but she's there just the same.

In the case of Christopher Columbus — whose great venture is being commemorated today — it was not a wife but a queen who stood behind him. This is common knowledge among school children, along with the fact she offered to pawn her jewels to finance him.

Some other things about the queen are not so well known. VERY PIOUS

Queen Isabella was a deeply pious, intelligent, strongminded woman with a determined chin. (An authentic portrait shows her, with two determined chins, in fact, and rather forbidding jowls.) She was also red-haired, like Columbus. The two met in their mid-thirties. He had come to Spain from Portugal where his wife had died, leaving him with a small son.

OTHER PROJECTS

Although Isabella shared Columbus' dream of discovery, she kept him dangling six years while she took care of another project: cleaning out the Moors. They had conquered Spain 800 years before, but by her reign had been driven back to Granada.

King Ferdinand, Isabella's spouse, was never very keen about Columbus, but he had long since given up opposing his stronger-willed queen. Early in their marriage, which united Castile and Aragon, he made the mistake of assuming her title to Castile a mere formality.

So she got her way about Columbus. In April 1492, Isabella and Ferdinand made an agreement with Columbus. He set sail in August, sighted land off San Salvador on Oct. 12.

SENT PRIESTS

On his second voyage the next year he sent along a number of priests to convert the pagans in the new lands.

When Indians were brought back as slaves, she indignantly ordered them released and

shipped home. In her will, read following her death only three weeks after Columbus returned a broken man from his fourth and last voyage, Isabella made a special petition for kindly treatment of the Indians. She didn't mention Columbus.

Isabella had been a good influence on the court, on her troops, on bullfighting, and on convents.

ENDED IN DEATH

But on her husband and father of her five children, her good influence ended with her death. Within a year he had married again and had Isabella's daughter Joanna declared insane so he could inherit Castile.

When the penniless Columbus petitioned for his rights, Ferdinand formed his toadying courtiers into a "council for unbending the consciences of the king and dead queen," which decided Columbus really made the contract with Isabella and Ferdinand couldn't be held accountable.

Columbus didn't live much longer. Two years after the death of his beloved queen, he died in a shabby inn in Valladolid.

Dinner guests at the home of Mr. and Mrs. Robert Lau Saturday evening were: Mrs. Lau's sister, Mrs. Helen Sowers, York, and daughter, Mrs. Fred Edwards, Lomita, Calif. Mrs. Sowers will accompany her daughter to California Wednesday.

Mr. and Mrs. Kenneth Martin, W. King St., spent the weekend with Mr. and Mrs. Arden Shafer. The VFW Auxiliary will hold its bimonthly meeting this evening at 8 o'clock.

Mrs. Laura Lory has returned home after being hospitalized several weeks with a leg fracture.

Whether you're a career woman or a homemaker cooking for a family, continental cookery usually attracts the eye of every culinary artist.

What makes continental cookery so unusual? Mainly, it's a unique sauce or special combination that lends an air of intrigue.

Also, foreign cookery needn't be a costly venture. As an example you might like to try this recipe for Scotch Lamb Chops. It's a thrifty lamb entree that highlights lamb shoulder chops and barley.

The Isle folks — the English, Irish and Scots — are noted for many recipes which the American homemaker now endorses. Some

of these recipes are stews, shortbreads and puddings. If you're interested in culinary history, you'll realize that barley is used as a staple by the English and Scottish people. That is the reason for this unusual combination of barley and lamb shoulder chops.

The other ingredients found in this recipe are all ones which can be found in your refrigerator or on the pantry shelf. To begin the preparation of this recipe, first cook one cup of barley in five cups of water. Just simmer the barley for one hour in a tightly covered saucepan. When tender, drain and rinse the barley thoroughly. Next, brown four lamb shoulder chops in two tablespoons lard or drippings. To achieve an even brown on both sides of the chops, brown them at a moderate temperature. Pour off drippings and season the chops with one teaspoon salt and ¼ teaspoon pepper. Now dissolve two bouillon cubes in ¼ cup boiling water. Combine the bouillon with the barley and one four-ounce can of drained mushrooms, ½ cup finely chopped celery, ¼ cup finely chopped onion, one 16-ounce can of tomatoes, ½ teaspoon marjoram and one teaspoon salt. Pour the barley mixture into a greased 8x12-inch baking dish. Place the browned lamb chops on top. Bake in a slow oven (300° F.) one hour and 15 minutes.

This recipe will provide four servings. You'll find that the barley together with the tomatoes, marjoram and onion adds the needed touch of flavor and color to this casserole creation.

As you may or may not know, all lamb cuts are considered tender and may be prepared by dry heat methods of meat cookery. For variety, however, they may be braised or baked.

QUAKE IN COLORADO

OURAY, Colo. (AP) — A mild earthquake shook western Colorado early Tuesday. The Highway Patrol said there were no damages and no one was injured. The tremor was felt at 1:05 a.m. There were reports it lasted from 30 seconds to about two minutes.

TORONTO (AP) — Canada Monday night concluded its deadliest Thanksgiving holiday in years. At least 92 persons were killed accidentally during the three-day weekend. The dead included 57 on the highways and 10 in hunting accidents.

Business Success In Next Few Months Keyed On Consumer

By SAM DAWSON

AP Business News Analyst
NEW YORK (AP) — The consumer hogs the center of the business stage today. The other actors have failed to make a hit in their first fall appearances.

Manufacturing, business spending, purchasing agents and retail buyers, easier money policies, even government spending have not come forward with the needed push for the economy.

What the consumer buys, how much he spends, how much he saves, how much he has to spend — these are prime factors in setting the trend in the months just ahead.

NOT TOO REASSURING

The figures for September have not been too reassuring. In an advance report, the Department of Commerce estimates retail sales slipped 1 per cent below the August level. But a number of stores have reported doing better than a year ago.

The consumer was holding tighter to what he had to spend. Another indication of that has been the rise in the total amount of savings. Still another has been the slowdown in the rate of increase of consumer credit. Installment credit took a big jump last year, but in recent months the increase has been moderate.

BUILT TO RECORD

The total of consumer debt has been built to a record. Counting in personal loans and home mortgages, total debt repayment now comes to \$52 billion a year, according to the Institute of Life Insurance. This would be about one-sixth of all personal income after taxes.

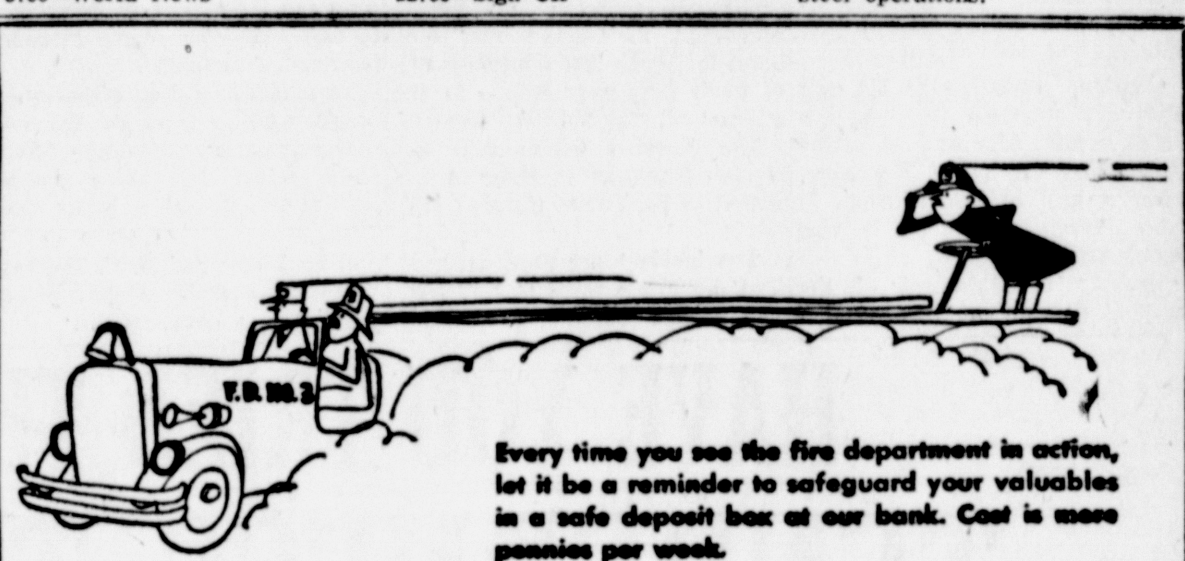

If consumers are paying out around \$1 billion a week on the various types of debt they owe, the crimp in their additional spending is evident.

But personal income has been holding high. And the job report for September, while far from glowing, had its reassuring elements. The total of the jobless, however, is still far too high to make any great pickup in consumer buying a sure thing.

AUTO INDUSTRY BRIGHT

The job situation brightened in the auto industry as it pushed toward supplying its dealers with enough new models to start a big sales drive.

A slight rise in steel orders has heartened some companies. But the trade publication, Iron Age, warns, "The improvement does not mean a significant change in steel operations."

The consumer was holding tighter to what he had to spend. Another indication of that has been the rise in the total amount of savings. Still another has been the slowdown in the rate of increase of consumer credit. Installment credit took a big jump last year, but in recent months the increase has been moderate.

BUILT TO RECORD

The total of consumer debt has been built to a record. Counting in personal loans and home mortgages, total debt repayment now comes to \$52 billion a year, according to the Institute of Life Insurance. This would be about one-sixth of all personal income after taxes.

If consumers are paying out around \$1 billion a week on the various types of debt they owe, the crimp in their additional spending is evident.

But personal income has been holding high. And the job report for September, while far from glowing, had its reassuring elements. The total of the jobless, however, is still far too high to make any great pickup in consumer buying a sure thing.

AUTO INDUSTRY BRIGHT

The job situation brightened in the auto industry as it pushed toward supplying its dealers with enough new models to start a big sales drive.

A slight rise in steel orders has heartened some companies. But the trade publication, Iron Age, warns, "The improvement does not mean a significant change in steel operations."

2 Composers At Odds Over Lincoln Address Copyright

NEW YORK—Two scores and several years ago, a pair of American composers decided to bring forth musical versions of Lincoln's Gettysburg Address. The composers just confronted each other in the U. S. Court of Appeals, one dedicated to the proposition that the other had infringed upon his copyright.

No one charged infringement upon the rights of the lyricist, who never bothered to copyright his material. Only the musical renditions were at issue, and the opponents were Peter M. Thall, a 17-year-old Columbia University Freshman from New London, Conn., and Edward D. O'Brien, 48, of Chicago.

Armed with tape recordings of the rival versions, O'Brien charged that Thall had infringed upon a musical rendition of the Gettysburg Address upon which the Chicago composer had obtained an unpublished copyright in 1944 and a published copyright in 1956.

WAS SUNG LAST YEAR

Thall's version was sung at Lincoln's birthday last year at the Lincoln Museum in Washington by a 15-man choral group of the United States Coast Guard Academy at New London. He contended through counsel that he began composing his musical score for the address in 1954 when he was 11 years old, and completed it two years later.

Live and recorded arguments in the case were heard before three judges, Sterry R. Waterman, Carroll C. Hincks and Leonard P. Moore, with Judge Hincks presiding.

O'Brien, appearing as his own attorney, appealed from a previous verdict of dismissal of his suit which came last February, after a jury in federal court in New Haven announced it was hopelessly deadlocked.

Seeking reinstatement of the action, O'Brien approached the

bench and placed a portable tape recorder on a table.

"SHORT AND SWEET"

"At least we can expect a sweet argument from you," Judge Hincks said. "You seem to have submitted a very full brief to the court, and I would suggest that you not spend too much time in oral presentation."

"I will endeavor to make it as short and sweet as possible," O'Brien said, switching on the recorder.

Music filled the oak-paneled court room. There followed 35 minutes of what O'Brien said were recorded piano renditions of his composition, "The Gettysburg Hymn," and Thall's "The Gettysburg Address."

As the reels twirled, unmistakable strains of "The Battle Hymn of the Republic" were heard.

"May I interpolate on 'The Battle Hymn of the Republic,'" Judge Hincks remarked, "and remind you that time is marching on?"

Thall sat with folded hands while his attorney, Seymour L. Hendel, also of New London, defended his composition.

Judge Robert P. Anderson, who had presided at the earlier New Haven trial, acted "properly in directing a verdict for the defense," Hendel said. "There is absolute no similarity involved."

The court reserved decision on O'Brien's motion.

LONDON (AP)—The Foreign Office Tuesday said that Soviet diplomats arrested two British diplomats in Odessa and held them for three hours because one of them took photographs of the interior of a department store.

The Foreign Office said the British Embassy in Moscow protested to the Soviet Foreign Ministry.

The incident occurred Sept. 28. The diplomats were M.J.F. Duncan, second secretary of the Mos-

NEW CORVAIR MODELS NOW AVAILABLE

Chevrolet's Corvair this year will blossom out a station and sports wagon in addition to the other models. In appearance, the Corvair retains its lithe, symmetrical form, the low-slung appealing profile remains unchanged while the interior will feature new styling and colors.

The smooth-looking Corvair was displayed Friday at Warren's Chevrolet, Lincolnway East.

Remaining the same are the engineering fundamentals, the flat air cooled engine and transmission axle combination in the rear and the body frame integration.

The improvements are the fuel economy speciality from the lower-numerical axle ratio and the new nongas burning heater expected to improve the miles per gallon. Increased luggage capacity is made possible by removing the spare tire from under the hood to the engine compartment and a 14-gallon fuel tank replaces the old 11-gallon tank.

NEW CONVENIENCES

The absence of a transmission tunnel provides cargo and passenger loading convenience impossible with the conventional small car. The Lakewood station wagon is approximately two inches higher than Corvair sedans and is equipped with four door and a folding rear seat. Cargo space is generous, with a load reaching nearly 6.5 feet in length. In total the body adds 53 cubic feet of cargo capacity to the 10 cubic feet under the hood.

To aid in operating economy, a manual choke replaces the former automatic recirculation of engine cooling air, more precise fuel metering and a lower rear

cow Embassy, and D. C. Thomas, the third secretary. Their photographs were confiscated.

Chevrolet stylists adroitly meshed the requirements of a roomy and versatile vehicle with the crisp, smart design of the Corvair line and came up with this sparkling new Corvair Lakewood Station Wagon. The car with its air-cooled engine in the rear, folding seat and forward luggage compartment is readily adaptable to almost any job... commercial or pleasure. In addition to the Lakewood, Chevrolet added a sports wagon and three half-ton trucks to the Corvair line for '61.

GLENN DIED OF BROKEN NECK

HOUSTON, Tex. (AP)—Howard Glenn, a football player for the New York Titans, died of a broken neck, an autopsy Monday showed.

Glenn, 24, a native of Louisville, Miss., was injured in the Titan-Houston Oilers American Football League game Sunday. He died about two hours after the game.

As a result of the fracture,

axle ratio also further gas mileage. At the same time, torque has been boosted in increasing engine displacement to 145 cubic inches. Listed among the optional items is a "perimeter hot air heater," which employs a mixing and blending chamber back of the rear seat and a blower to propel heat forward through ducts to the passenger compartment. Outlets are built near the floor, just forward of the front seat and beneath the rear seat. The gas-fired heater used in 1960 is also offered as an accessory.

jagged bits of bone eventually severed Glenn's spinal cord, Dr. Joseph Jachimczyk, Harris County medical examiner, said. He ruled the death an accident.

BECAME BELLIGERENT

Glenn, who had also lived in Vancouver, Wash., left the game in the second half. He was taken to a hospital after he became belligerent, hysterical and went into a stupor in the Titan dressing room.

There was no sign of a brain injury or a heart attack, the medical examiner said.

Glenn did not die instantly, the doctor said, because it took some time for the edges of the broken bone to sever the spinal cord.

RETAILERS TO BALK \$1 HOUR

HARRISBURG (AP)—The Pennsylvania Retailers Association has indicated it will go to court if the state adopts a \$1 minimum hourly wage in the retail industry.

The Labor and Industry Department held a day-long hearing Monday to hear various views on the proposal, made by a special nine-member wage board appointed by Secretary William L. Batt. Batt conducted the hearing.

Atty. Edward C. First, Harrisburg, said afterward that the door was open to a possible legal action.

Batt now has 10 days in which to decide on the recommendations. Fifteen witnesses, including First, gave their views. Most labor and private groups favored the proposal, while most industry representatives opposed it.

John E. Means, Lancaster, secretary of the Retailers Association and a member of the Minimum Wage Board, testified that no cross-examination was permitted in the series of six public hearings on which the board based its recommendations.

Means and Edward G. Procius, another industry member of the board, were the only ones not signing the final report.

MOUNT PLEASANT, Pa. (AP)—Gladys W. French, 66, of Dearborn, Mich., died at Frick Memorial Hospital Monday of injuries suffered in an auto accident on the Pennsylvania Turnpike.

Mrs. French was a passenger in a car driven by her husband, Claude V. French, 66. State police said the French car drifted into the passing lane Saturday while rounding a curve about four miles west of the Donegal Interchange and was struck by a state police patrol car.

Officers said the patrol car was chasing a speeding car and had its red blinker and siren on. French was treated for minor injuries at the hospital.

GOOD SHOWS WINS CRITICS TUESDAY NIGHT

By CYNTHIA LOWRY

AP TV-Radio Writer

NEW YORK (AP)—After an evening like Tuesday night, it is obvious that there is nothing the matter with television that imagination, thought and hard work can't cure.

First there was the season's first "CBS Reports," a fascinating suspense story with a happy ending. It was a documentary about the long, extensive development of the Navy's Polaris missile, invented expressly to be fired by a submerged atom-powered submarine.

CBS has had its camera lens on both the submarine George Washington and — whenever security permitted — the missile for almost five years. Thus the program (narrated by Edward R. Murrow with great simplicity) was both absorbing and instructive. It was reassuring and heartening, too, to learn about a weapon with such a war-deterrent potential.

GAY O'CONNOR SHOW

About an hour later, NBC gave us the "Donald O'Connor Show," a gay program of pure entertainment—great dancing, pleasant songs, good humor and handsome backgrounds. O'Connor, who turns up on TV as rarely as Fred Astaire, is a man of many talents and the greatest of these is dancing.

Mitzi Gaynor, his pretty costar, contributed her dancing and singing abilities and it was all delightful.

And in between, if one was

twisting the dial selectively, there was a very good mystery episode on "Thriller," on NBC.

SOME DISADVANTAGES

That familiar TV interview format—questions by a panel and answers by the guest—seems to have been chosen unanimously as the politicians' favorite means of getting their messages across. From the viewers' location in front of the TV set, however, it is a more satisfactory session when there is just one man answering the questions.

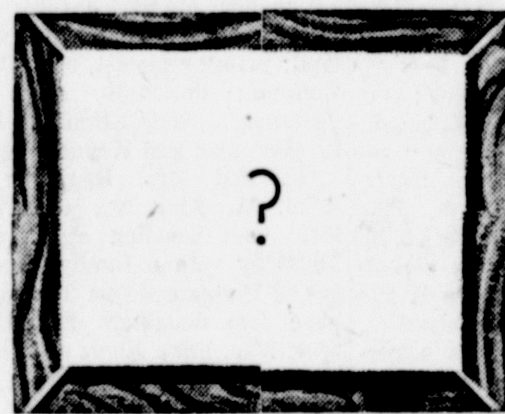

In the joint Nixon-Kennedy appearances, the business of limiting the time for both the answer to a question and the rebuttal period of his opponent leaves many questions up in the air when the questioners move on to another area.

CBS will pre-empt the time of its Sunday "Face the Nation" for an hour's special showing the 1961 models of American automobiles. NBC's "Meet the Press," at the same time—6 p.m., EDT—will interview Democratic presidential candidate John F. Kennedy. The overnight ratings on those two shows will make interesting reading.

WASHINGTON (AP)—The Supreme Court has added 21 more cases to the 100 on which it already had agreed to hear arguments during its new term.

The 100 cases were docketed before the court quit for the summer last June. Monday the court agreed to hear appeals in 21 more cases. It rejected 37 other requests which had piled up during the summer.

Monday's action was limited to accepting or rejecting appeals. The court did not announce any decisions adjudicating cases.

is this your frame of mind?

It could very well be if you're thinking about interior decor. For one thing, you hear so many opinions and ideas voiced on a wide variety of subjects... color schemes, drapery designs, carpets, furniture style and so forth. However noble their aims, it seems that everyone wants to get into the act. And the "authorities" on such matters are amazingly plentiful.

Now isn't it about time someone galloped to your rescue and helped you replace that question mark with a smile of certainty? While we don't ride a great white steed and wear shining armor, rescuing you is our business... and, may we add, our pleasure.
